- This is a generic guide which has been produced to assist you to calculate the due dates and plan for your vehicle tests throughout the course of your licence;
- It is based on the date of the initial licence and the expiry date of your licence;
- Your licence expiry date can be found on your paper licence and plates;
- You must ensure your vehicle has passed the test in advance of these dates but no more than 4 weeks before the due date. Plates will be ready for collection 2 working days after the test providing your application has already been made at a surgery appointment;
- This guide does not take into account weekends or bank holidays so please ensure your vehicle will need to have passed the test in advance of the dates shown, particularly if the due date falls on a weekend or bank holiday;
