FULL PLANS APPLICATION GUIDANCE NOTES

Notes:

1. The applicant is the person on whose behalf the work is being carried out, e.g., the building's owner.
2. Two copies of this notice should be completed and submitted with plans and particulars in duplicate in accordance with the provisions of Building Regulation 14, and where Part B (Fire Safety) imposes a requirement in relation to proposed building work, a further two copies of any such plans as demonstrate compliance with those requirements shall be deposited, ie:
 - B1 Means of escape
 - B2 Internal fire spread (linings)
 - B3 Internal fire spread (structure)
 - B4 External fire spread
 - B5 Access and facilities for the fire serviceBut the requirements for further plans are not applicable to houses, flats or domestic alterations.
3. Subject to certain exceptions a Full Plans Submission attracts charges payable by the person by whom or on whose behalf the work is to be carried out. Charges are payable in two stages. The first must accompany the deposit of plans and the second is payable after the first site inspection of work in progress. This second charge is a single payment in respect of each individual building, to cover all site visits and consultations, which may be necessary until the work is satisfactorily completed.
4. Subject to certain provisions of the Public Health Act 1936 owners and occupiers of premises are entitled to have their private foul and surface water drains connected to the public sewers, where available. Special arrangements apply to trade effluent discharge. Persons wishing to make such connections must give not less than 21 days notice to the appropriate authority/body.
5. Premises currently designated for the purpose of the Regulatory Reform (Fire Safety) Order 2005:
 - Premises within the Fire Precautions (Hotels and Boarding Houses) Order 1971
 - Premises within the Fire Precautions (Factories, Offices, Shops and Railway Premises) Order 1989
6. Section 16 of the Building Act 1984 provides for the passing of plans subject to conditions. The conditions may specify modifications to the deposited plans and/or that further plans shall be deposited.
7. A signed statement from the client, principal designer and principal contractor will be required to be submitted on completion within no more than 5 days of works in accordance with Regulation 16 paragraph (4A).

General Notes:

These notes are for general guidance only, particulars regarding the deposit of plans are contained in Regulation 14 of the Buildings Regulations 2010 and in respect of charges, in The Building (Local Authority Charges) Regulations 2010.

Persons proposing to carry out building work or make a material change of use of a building are reminded that permission may be required under the Town and Country Planning Acts.

The Party Wall Act 1996. If you intend to carry out work on a wall shared with another property, or build on the boundary with a neighbouring property, or excavate near a neighbouring building, you must find out whether the work falls within the scope of the Act. If it does, you must serve the statutory notice on all affected owners.
