SECTION 3 - BREAKS IN SERVICE

Important! If you were not a full-time employee, OMERS must ensure that the amount of eligible service from Section 2 is not overstated. To the best of your knowledge, please provide information on any breaks in service or absences during the employment period.

SECTION 4 - PREVIOUS PENSION PLAN INFORMATION

Were you a member of a registered pension plan (other than the Canada Pension Plan) during the service period above?

☐ Yes ☐ No

If yes, please provide the following information:

Name of Registered Pension Plan	Plan Registration Number	Date you enrolled in the plan (m/d/y)
---------------------------------	--------------------------	---------------------------------------

When you left your former employer, which option did you choose for the pension you earned? For example, deferred pension, or commuted value transfer to an RRSP or LIRA?

Breaks in service

A break in service could be any period of absence from an employer without pay:

- where you did not contribute to the pension plan or subsequently purchase the service in that plan; or
- your employer did not provide automatic pension coverage; or
- you did not have a PA reported.

Example: a period of pregnancy/parental leave, strike, or layoff (with or without recall rights).

If a bona fide termination occurred (e.g., a contract or period of seasonal work ended), this should be reported as the end date of a period of employment.

Eligible service

Service with a participating OMERS employer that is not credited service in the OMERS Plan. Eligible service may be purchasable in the OMERS Plan. Eligible service can be used for the early retirement age+service Factor (90 Factor or 85 Factor) or 30-years-of-service provision. More about eligible service is in the OMERS *Member Handbook*, available at www.omers.com.

Employment status

• Full-time

An employee hired as part of the permanent complement of the employer, who works full-time hours (minimum 32 hours per week, for 52 weeks of the year including vacation) as specified by the employer, is considered continuous full-time for OMERS purposes.

• Non-full-time

Any other arrangement (including an employee working full-time hours on a time-limited contract basis) is not considered continuous full-time for OMERS purposes. For these periods, provide the percentage of full-time hours worked on average during the period.

Example: if full-time hours were 37.5 hours per week, and you regularly worked 30 hours per week, the percentage of full-time hours worked would be 80% (or $30 \div 37.5 = 0.80$).

Pension adjustment (PA)

A pension adjustment (PA) is the value of the pension benefit a member earned in the year in the employer's registered pension plan. The PA is reported annually to the Canada Revenue Agency (on the T4) and will lower the amount of RRSP room available for a member for the following year.

Registered pension plan (RPP)

A pension plan that has been registered with a pension regulator in a Canadian jurisdiction (such as the Financial Services Regulatory Authority of Ontario), and is also a registered plan under the *Income Tax Act* (Canada) and Regulations.

Supporting documents

OMERS requires that you must submit supporting documents with the statutory declaration demonstrating the periods of employment you are declaring, as follows:

- A letter from your former employer (if they are still in existence) confirming that they are unable to produce the service records. This document must be accompanied by T4 slips, a summary of previous tax returns, ROEs, or paystubs (clearly stating the name of the employer and the member's name).
- T4 slip: a copy of your T4 income tax slip for each of the calendar years of the employment period. Contact the Canada Revenue Agency (CRA) to request a copy of your T4s.
- Record of employment: a copy of your Record of Employment (ROE) for the employment period you are declaring. Contact Service Canada to request a copy.
- Paystubs that apply to some or all of the period of time you are trying to have recognized as eligible service.

T4 slip

The income tax form issued by your employer for reporting your taxable income during a calendar year. A T4 will show taxable income, pension adjustment (PA), a pension plan registration number, and any pension contributions made.
