

Stakeholder Request for a Plan Change

(Pursuant to Section 6.4 of Sponsors Corporation (SC) By-Law No. 12 – “Other Specified Change Proposals”)*

Requested by: _____
(Please print)

Address: _____
(Please print)

Telephone: _____ Email: _____

Check applicable boxes below.

I am a:

Member Retiree Employer Other (please specify) _____

Pension plan and relevant area of change:

Primary Plan Supplemental Plan for Police, Firefighters and Paramedics

Retirement Compensation Arrangement (RCA)

Proposed Change to Current Provision

Important: The SC Board remains focused on building resiliency as the Plan matures. To that end, submissions of plan change proposals which would involve reductions to the overall contributions being made to the Plan and/or material improvements to Plan benefits are unlikely to be considered by the SC Board at this time.

1. General description of current provision:

2. *Proposed change(s) to current provision:

3. Proposed effective date of change:

4. Which members/employers would be impacted by the change and any variations thereof (e.g., all members, new members only, a subset of members (active, deferred, retired, other), employers, a subset of employers):

5. Provide key rationale for change:

**Please note that the SC Board’s review of By-Law No. 12 is currently on pause and accordingly, the By-Law continues to contain outdated references. For example, ‘PDIC’ is now ‘PDC’ (i.e., Plan Design Committee), ‘SPDOS Specified Change Proposals’ should be read as ‘FMS Specified Change Proposals’, the Financial Services Commission of Ontario has been replaced with the Financial Services Regulatory Authority of Ontario and ‘By-Law No. 20’ is replaced with the ‘Funding Management Strategy’. In addition, the SC Board no longer elects Members to Co-Chair positions.*
