

Employer Categories Summary

2024 Statistics – as at December 31, 2024

Employer categories are designated by reference to generally recognized large employer sectors and those identified in sections 5 and 6 in the OMERS Act, 2006. The following tables show the breakdown of our membership by employer categories as at December 31, 2024, in the following ways:

Table	Description
2-A	Active Membership Headcounts (NRA 60 and NRA 65)
2-B	Active Membership Headcounts (Continuous Full-Time (CFT) and Other-Than-Continuous Full-Time (OTCFT))
2-C	Percentage Distribution of Contributions

In the tables, employers that do not fall within a designated category are grouped as “Other Employer”. These include, for example, local boards of municipalities, economic development corporations and associations representing OMERS members.

The tables also make reference to members who are not currently contributing to the OMERS Primary Pension Plan (“OMERS Plan”), and these include the following types of members:

- **Retired** – Retired members and survivors receiving a monthly pension
- **Deferred** – Members who left their OMERS employer but kept their pension in the OMERS Plan
- **Disability Waiver** – Members with an injury or illness who continue to earn credited service
- **Divested** – Members divested from an OMERS employer to another non-OMERS employer that has a registered pension plan

Please note that the information shown in the tables is based on data collected at the time employers join OMERS or when employer by-laws are updated. For presentation purposes and where feasible, membership information has been adjusted by OMERS to best reflect the employer category in which they are employed.

The information presented is not used for pension administration purposes. The information should not be relied upon for any other purpose than to provide a general indication of the distribution of OMERS membership by employer categories.
