SECTION 3 - DEFINITIONS

Non-full-time [referred to as Other-than-continuous full-time (OTCFT) in the OMERS Plan text]: Non-full-time members may include short-term, casual, temporary, seasonal, part-time, 10-month, or contract employees.

OMERS membership for non-full-time employees may be voluntary. If voluntary, an employer must offer OMERS membership to a non-full-time employee the first time the employee meets the eligibility requirements.

Non-full-time enrolment in the OMERS Plan generally takes effect on the date of the employer's next available pay period after an employee's election is received. This date can be no later than the end of the month following the month in which the election is received.

Mandatory membership

OMERS membership for all (or any) class of non-full-time employees may be mandatory if stated in the employer's participation bylaw or resolution. In that case, non-full-time employees must enrol in OMERS as a condition of employment on the date of hire.

If the employer's participation bylaw or resolution is amended to make OMERS membership mandatory, all new eligible non-full-time employees must be enrolled when hired, as a condition of employment. Existing non-full-time employees must be offered a choice.

Continuous full-time employees

For OMERS purposes, continuous full-time employees are those who:

- regularly work 12 months in every year; and,
- belong to a class of employees for which regular employment hours are no less than 32 hours per week.

OMERS membership for continuous full-time employees is mandatory; they must enrol in OMERS immediately when they are hired.
