SECTION 5 - DEFINITIONS

Other-than-continuous full-time (OTCFT) employees

OTCFT employees may include short-term, casual, temporary, seasonal, student, part-time, 10-month or contract employees.

OMERS membership for OTCFT employees may be voluntary. If voluntary, an employer must offer OMERS membership to an OTCFT employee the first time the employee meets the eligibility requirements.

OTCFT employees are eligible if, during each of the **two immediately preceding calendar years**:

- they worked at least 700 hours (including overtime) with any OMERS participating employer; or
- they earned at least 35% of the YMPE, including overtime and vacation pay, with any OMERS participating employer.

The criteria can be met through employment with one or more OMERS participating employers during the two-year eligibility period.

Compulsory membership (for OTCFT employees hired on or after the participation date)

OMERS membership for all (or any) class of OTCFT employees may be compulsory if stated in the employer's participation bylaw or resolution. In that case, OTCFT employees must enrol in OMERS as a condition of employment on the date of hire.

If the employer's participation bylaw or resolution is amended to make OMERS membership compulsory, all new eligible OTCFT employees must be enrolled when hired, as a condition of employment. Existing OTCFT employees must be offered a choice.

Continuous full-time employees

For OMERS purposes, continuous full-time employees are those who:

- regularly work 12 months in every year; and,
- belong to a class of employees for which regular employment hours are no less than 32 hours per week.

OMERS membership for continuous full-time employees/councillors hired before the employer's participation date is voluntary. For those hired on and after the employer's participation date, membership is compulsory; they must enrol in OMERS immediately when they are hired.
