Summary:

Due to the late submission of a material amount of input data for Sat 09 Apr, Sun 10 Apr and Mon 11 Apr, the 28dma indices published between Tue 12 Apr and Mon 09 May (inclusive) will have a different value from a manual calculation using the individual daily price indices in that same period.

The daily and 28dma price indices for Sat 09 Apr – Mon 11 Apr (inclusive) have not been re-published as per the Skytra Price Index rules and methodology.
