SPECIAL FOCUS SESSION

CHOOSING WISELY IN TRAUMA IMAGING

PRE-COURSE TRAUMA RADIOLOGY WORKSHOP ON
SUNDAY, JUNE 9TH

12th Nordic Course in Trauma Radiology focuses on providing essential knowledge in blunt and penetrating trauma imaging. The educational content serves both as an introductory and a refresher course. Interactive Q&A case sessions will summarize the lectures and further enhance learning.

Preliminary program and full speaker list will be available on our website nordictraumarad.com as the registration opens in December 2023.

Pre-course Trauma Radiology Workshop is held on Sunday June 9th (fee 200 EUR). Workshop seats are limited to 40 persons and available only for Nordic Course participants.
