

Things to consider

- If you cancel the plan within 30 days we'll refund the payments you've made
- If you cancel the plan after 30 days we'll refund the payments you've made, less a cancellation charge of £250

If you choose to pay by instalments of 6 or 12 months:

- You must pay a minimum of £99 deposit and this will be taken off the plan price
- If paying in instalments of 6 or 12 months and you die before all instalments are paid, your representative will need to pay the outstanding amount for one of our Funeral Directors to provide your plan

If you choose to pay by monthly instalments over 2-25 years:

- Instalment charges apply
- You must pay a minimum deposit of £99. This amount will be taken off the plan price
- You, or the person paying for the plan if

different, must be a minimum age of 18 and must have completed paying all instalments by their 80th birthday

- Your plan includes the Co-op Commitment. This will apply to your plan after 12 months from your plan start date, or within the first 12 months if you die as the result of an accident (as defined in our terms and conditions). This means we won't collect the balance on your plan. Our Funeral Director can provide your plan. Where the Co-op Commitment doesn't apply, your representative will need to pay the rest of the balance on your plan for your funeral to be provided
- Should your representative wish to cancel your plan and not hold your funeral with Co-op, we would refund all payments made, less a cancellation charge of £250
