

## Third Party Authority

A third party authority mandate is a formal instruction from you to Egg. It tells us that you'd like someone else to carry out and manage transactions on your Egg loan account, including loan repayments. It also authorises Egg to correspond with the third party on your behalf.

### **This Third Party Mandate can only be used for Egg Loan Accounts and services**

Egg reserves the right to undertake a security check. The Third Party Mandate will not come into force until the check has been completed.

### **General Guidelines/Instructions**

- The mandate can only be cancelled by the account holder.
- This mandate does not cover any future accounts opened with Egg.

### Identification and Address Verification of Third Party Signatories

To comply with current regulations, Egg must identify and verify the address(es) of any person(s) that you authorise to operate your account(s).

Please note that original documents are required from each third party signatory and we can accept a valid full UK Photocard Driving Licence to confirm both their identity and address. If they don't hold one, we'll require separate documents. We are required to take copies of any documents supplied and retain these for our records. Examples of documents include the following:

- Valid full UK Photocard Driving Licence for identification and address verification.
- Valid full Passport for identification.
- Credit card statement or utility bill dated within the last four months for address verification.
