CAPTAIN'S BAR

Dear Guests
Welcome to this place that will delight all your senses.
In the Captain's Bar, the four elements are blended together in our cocktails:
renewed energy flows, earthy aromas feel pleasant, spicy notes light
a fire and the feather-light components will inspire you. Smell, feel, sense:
every cocktail tells a story and will take you on a journey.

Are you ready? Then open up your senses.

Yours, Linh Nguyen

AIR

Carried invisibly, the wind,
it tells of freedom and dreams
never chosen. A breath, a breeze,
so light, so elusive, the air brings
movement, makes life fade.

EARTH

Born of roots, the scent is heavy
and deep, where life comes alive
and time passes by. Resting in
darkness, the power, it awakens,
the earth tells of the creation
of the night.

WATER

The whisper of the waves,
an endless song, hidden in the
depths where the soul flees.
Clarity and stillness, a mirror, so
pure, a drop of life, in the glass,
your being.

FIRE

Flames dancing, wild and free,
a spark of life, fleeting. Embers
that enlighten, warm and con-
sume, a fire that is alive and
teaches us all.
