We are opening the doors to different era for you.
The chairs are upholstered in red velvet, the glasses sound
from a distance and there is tension in the air,
making everything vibrate.

BURLESQUE AS AN ART FORM

Is Burlesque striptease? It is so much more: It is an
expressive dance, which is elegant, humorous and erotic.
It breaks taboos and celebrates female strength.

HISTORY OF BURLESQUE

Our image of erotic show performances emerged in 1920s
– particularly in New York. World War I was over, life was
tough, but a new era was dawning. Values eased and an
evening in a Burlesque bar was affordable for everyone.
So this form of dance, song and eroticism flourished.

THE ART OF INSINUATION

Unlike other forms of striptease, Burlesque is less
about the undressing, and much more about the art of
insinuation. Each movement is carefully considered,
elegant and often done with a twinkle in the eye.

FOOD FOR THOUGH

*"You don't have to be naked to look naked.
You only have to think naked."*

Gypsy Rose Lee, Burlesque star of the 1930s

BURLESQUE IN THE MODERN ERA

Since the 1990s, Burlesque has been celebrating its
comeback and is an expression of diversity, female
strength and creativity.

WELCOME TO

LA CAGE

BURLESQUE • BAR • CASINO
