

# SPLASHBACK

Dulux Cardrona

**Designer Tip**

Painting in the right order is important to avoid cross contamination, spills, drips and mechanical damage to the surfaces. Start with cabinet doors, splashbacks, benchtops and finally coating the floors.

Splashback: **Dulux Renovation Range Tiles & Benchtops** in Dulux Cardrona. Cupboards: **Dulux Renovation Range Cabinet Doors** in Dulux Opononi. Benchtop: **Dulux Renovation Range Tiles & Benchtops** in Dulux Maraetai.

**Designer Tip**

For step-by-step instructions, pick up a project guide in store or view how to videos and project guides online at [dulux.co.nz/renovationrange](http://dulux.co.nz/renovationrange)

Lyttelton	Tirau Double	Grey Lynn	Pūhoi Half
Ōhai	Franz Josef	Pūkaki Double	Wharariki
Pencarrow	Maraetai	Rangitikei River	Raurimu

# CABINETS

Designer Tip

When painting over dark colours or timber with white or a light colour, you may require more than 2 coats. Ensure you calculate how much paint you need before you start your project.

FRONT COVER: Tiles: Dulux Renovation Range Tiles & Benchtops in Dulux Manorburn Double, Cupboards: Dulux Renovation Range Cabinet Doors in Dulux Mt Aspiring Half.

\*Call Help & Advice for more information on the surfaces that require priming.

Disclaimers: Colours shown are as close as possible to actual paint colours. Please note, due to limitations of the printing process, photographic and printed images may not represent the true colour. Always confirm your choice with a Dulux Large Colour Swatches or a Sample Pot.

\*For full use instructions please see the Dulux Website and review the Data Sheet, Application and FAQ information.

†The Dulux Renovation Range Floor product does not require a clear coat as it will reduce the non-slip performance.
