The colours within each palette are designed to be mixed and matched to help you create the look you want. If you'd like to try any of the colours featured, simply ask your store staff for a Dulux Sample Pot or order up to four free Large Colour Swatches online at dulux.co.nz

Or if you need professional help, contact our Dulux Colour Design Service (we have both Online and In-Home consultation options available) visit dulux.co.nz/services or call 0800 800 424 to book a consultation.

Designer Tip

A neutral grey creates a soft and contemporary look. Pair with a deep blue and crisp white such as *Dulux* Ōkārito to achieve a soothing space.

Dulux
Franz Josef
Quarter

Retreat

Warm whites, neutrals and dusty blues with tones of burgundy and deep ocean blue.

With more and more people working remotely, home is the new epicentre of our lives. The focus is on creating beautiful and flexible spaces that allow our personal and professional selves to thrive. We seek functionality whilst wanting our homes to feel balanced and calm. The **Retreat** palette inspires comfort and warmth evoking feelings of nostalgia and the promise of authentic renewal and growth.

Dulux
Five Fingers
Peninsula

Use colour to establish the right mood in your home. Earth-based hues create a harmonious setting to help with inspiration and creativity within a study or home office.

Including a dusty blue such as *Dulux Five Fingers Peninsula* in your colour scheme, conveys a sense of soft luxury alongside deeper and vintage tones.

Muted greys in the flooring and linen curtains add warmth and comfort to the space.

Product Tip

Dulux® Wash&Wear® Low Sheen provides a soft finish that will keep your walls looking freshly painted for years.

Dulux
Teahouse

The bedroom is a great place to begin your colour journey. Experiment with a variety of different tones to create your ideal personal space.

Highlight key elements in a room to help design your dream colour scheme.

Dulux Remuera has a warm undertone that balances the earthy colours in this palette.

Dulux
Remuera

Dulux
Puhoi

Design Tip

Balance deeper hues with natural and authentic textures and soft, warm whites.

Designer Tip

Scheming with a soft, natural hue such as *Dulux Sandymount* creates a calming and flexible colour palette. Layer with textures and add earthy tones to complete the look.

Dulux Sandymount

Dulux Haast Half

Dulux Kūaotunu

Nourish

Gentle buff neutrals and touches of tan, soft olive and muted ochre.

As we spend an increasing amount of time connected to the digital world, our desire to unplug, unwind and reconnect with nature grows. Dulux's *Nourish* palette captures this deep appreciation for natural beauty. Soothing colours encourage quiet moments of stillness, a perfect remedy for reducing stress and fatigue. Experience subtle neutrals, grounding olives and tan hues with *Nourish*.

Olive Blend

Nourish

A renewed palette of warm neutrals inspires fresh interest by adding accents of yellow and green.

Product Tip

Use Aquanamel® Low Sheen for a contemporary finish on trims to create a seamless transition between surfaces.

Dulux Porari

Dulux Kūaotunu

Dulux Haast Half

Create a welcoming entry with a warm and inviting neutral colour scheme.

Period homes often include classic features such as archways and picture rails, we have highlighted them with *Dulux Haast Half*.

The front door sets the tone for the interior style and is a simple way to transform your entrance.

Explore the deeper variations of the **Nourish** palette to create an inspiring bespoke home study environment.

Dulux Morocco Tan offers a comforting richness and warmth, ideal for a personal workspace.

The influence of timber and rattan provides a balance in texture and a rustic feel complementing the natural palette.

A renewed appreciation for striking natural beauty, **Nourish** provides a sense of calm and soothes the mind with its soft and earthy hues.

Dulux
Olive Blend

Dulux
Haast Half

Dulux
Sandymount

A deep luxurious green such as *Dulux* Olive Blend encourages a connection to nature and quiet moments of gentle reflection.

Lighter furnishings and accessories allow for a more playful use of colour.

Adding your personal touch with artwork and textiles helps to create the perfect sanctuary.

Designer Tip

Work with the existing materials in your home. Timber and concrete look sensational with this lush palette.

Dulux
Woods Creek

Dulux
Prebbleton

Reset

Rich blue and coral, warm rust and playful mash-ups of pink and terracotta.

Stay upbeat with the bold colours in the **Reset** palette. Stronger tones lift interiors to brighten your outlook. Vibrant pops of fun retro colour hint at 70s nostalgia. An eclectic mix of old and new mesh together creating an inviting and happy space to indulge in a more relaxed pace of life. Energise your home with the **Reset** palette.

Dulux
Cardrona

Apply *Dulux* Cardrona to walls and ceilings in a modern home. For lower ceilings use *Dulux* Southern Alps to help change the perspective on ceiling height.

After selecting a wall colour, artwork can guide the ideal colour accents to use within the room.

The **Reset** palette introduces key colours to help balance a neutral space.

White is versatile and harmonises beautifully with a variety of surfaces, balancing cool concrete against warm timber.

Dulux
Cook Strait

Dulux
Mt Aspiring Half

Dulux
Hot Chillie

White is versatile and harmonises beautifully with a variety of surfaces, balancing cool concrete against warm timber.

Add pops of colour by selecting soft furnishings and decorator items with accents from the **Reset** palette such as *Dulux* Cook Strait and spicy *Dulux* Hot Chillie.

Dulux Mt Aspiring Half is a neutral white perfect to scheme with warmer and cooler colours both inside and out.

Choose a warm colour scheme to suit timber flooring and neutral sheers. Complete the look by selecting artwork to complement colours with accents from the **Reset** palette.

Product Tip

Test your favourite colours at home with a Dulux Sample Pot to get the most accurate representation of the final result.
