\*The \$175 spend is based on generic products required for most projects. Based on your specific project needs you may need slightly different paint and accessories, contact Dulux Help & Advice for more information.

## Dulux® Colours of New Zealand® schemes

Pinks and reds are perfect for adding a sense of warmth and drama to any space. Stronger shades are great for creating an impact in a bedroom, whereas softer mushroom and pastel pinks are perfect for creating a space that's both calm and cosy.

Here are some popular pink schemes from the Dulux® Colours of New Zealand® range, including colours for your trims.
