PAINT TAKE-BACK SERVICE

Goat Island Mural Artwork by Erin Forsyth

At DuluxGroup, sustainable practices are at the heart of our business. Our Paint Take-Back service was established in 2009 and is a service we are proud to offer as part of our commitment to the environment.

Simply return your left over paint and paint packaging to any of our Dulux Trade Centre and selected Guthrie Bowron stores nationwide and we will recycle, reuse or dispose of it in an environmentally friendly manner.

Water-based paints may be donated to community groups for uses such as graffiti abatement. Accepted solvent based paints are sent for solvent recovery or responsible disposal and packaging is then recycled.

While most water-based and solvent-based paints are accepted through this service, there are some exceptions. Please see our Eligible Paint Criteria overpage.

Eligible Paints in original Dulux, British Paints, Berger, Cabot's, Intergrain or Feast Watson packaging can be returned free of charge. On non-Dulux group branded paints, a \$0.25 per packaging litre return and collection fee is applied.

Dulux and Non-Dulux	More than 20 units	Convenient pick up services: \$100 (Dulux) or \$100 + \$0.25 per packaging litre (Non-Dulux)
