**Recollect**

In a rapidly changing future, Dulux Recollect seeks authenticity and craftsmanship. This palette embraces a connection to heritage with a clash of modern glamour.

# Still

As there is a driving need to reduce our fast pace of life, Still encompasses slow design and takes comfort in living in the present with a greater connection to nature. This palette has a subtle warmth with calming neutrals to create a sense of ease and understated luxury.

# Emerge

An uplifting palette of soft and mid-tone hues, Emerge has a feel-good energy evoking a sense of cautious optimism. This palette embodies an expressive style that celebrates connection and ignites joy.

# Recollect

Recollect evokes a sense of nostalgia, reflection and sophistication. The palette is a moodier curation for those seeking comfort and security, with furniture and décor elements spanning from the 50's - 90's integrated in an eclectic personalised style.
