Before & After

Colours of autumn are warm, rich and decadent – think deep teal and dusty rose, alongside warm neutrals and a pop of vintage gold. Together, they create a look that is warm, expressive and inviting.

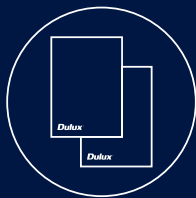

Looking to achieve an autumn-inspired look in your own home? Keep the overall feeling light and warm with soft neutrals balanced with bold, dramatic hues such as desert red and petrol blue. Then add decadent fabrics such as velvet, silk and soft leather to complete the look.
