WARM WHITES

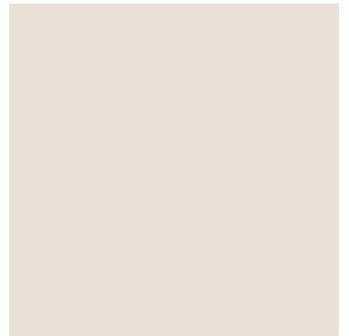

Rich, creamy whites are classic and create a warm, cosy ambience suited to homes or rooms with little natural light. They are loved for their ability to transcend trends and embrace any space.

Ōkārito

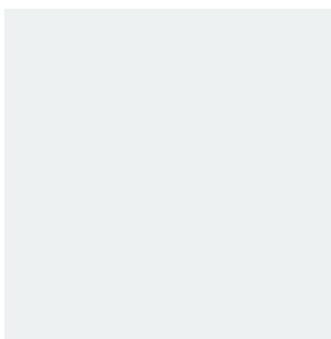

Walls: Dulux Wash&Wear® Low Sheen. Ceiling: Dulux Ceiling White

COOL WHITES

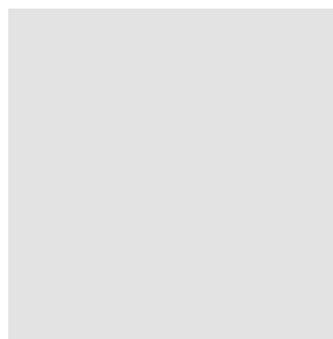

Cool, crisp whites reflect light making a room feel brighter and more spacious. They are suited to contemporary homes with lots of natural light and can add a modern or minimalist edge to a space.

NEUTRALS

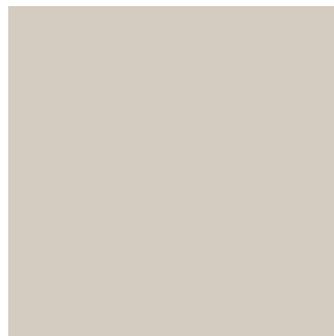

Neutral colours have a calming and soothing effect that make a room feel more comfortable and inviting. These timeless colours work well with layers of neutral shades, textures or accent colours.
