DULUX® ACRATEX® METAL ROOF RENEW

Restore and extend the life of your existing Metal Roof

Metal Roof Renew is a high-performance, water-based acrylic coating designed specifically for the restoration of ageing metal roofs. It delivers long-lasting protection and a durable, high-quality finish, giving confidence and peace of mind backed by Dulux Acratex.

Designed for Metal Roofs:

Aged Colorbond®

Aluminium

Galvanised

Zincalume®

Previously Painted Roofs† and more.

Why choose Metal Roof Renew?

Restore - Bring surface back to life with a fresh, renewed finish.

Protect - Durable shield against harsh weather and UV exposure.

Long Lasting - Designed for lasting performance.

Sheen Level

At 60° viewing angle

Confidence backed by Dulux Acratex

Enjoy up to a 15 year warranty[^] when your roof is restored following the Dulux Acratex Roof Application Guide and Dulux DuSpecPlus® specifications.

It's not just a coating, it's a complete system for lasting performance and peace of mind.

To take your Metal Roof Restoration to the next level ask in-store today or visit acratex.com.au

[~]See pail for details.

[†]A previously painted roof can be re-coated, however due to the variable nature of the original coating and its adhesion, we will not provide a warranty.

[^]A warranty of up to 15 years covering film integrity, peeling and cracking is available for Roof Membrane products. For some products, applicable warranty periods will depend on number of coats applied or the product's use as a part of a system. All warranties are subject to the conditions set out in the applicable warranty document, including application by a professional roofing applicator in accordance with instructions. For details on specific warranty terms, please visit www.dulux.com.au/acratex-warranty or call Acratex customer service on 13 23 77.

Colours shown are as close as possible to actual colours and finishes may vary depending on the application. Due to limitations of your display screen and the printing process; photographic, printed images and colour swatches may not represent the true colour. Refer to actual samples for exact colour and finish.
