**Join the Creative Team Behind Cinderella: The Improvised Panto for Elders and The Church Street Masquerade!**

Take part in a free theatrical clowning workshop designed for anyone aged 60+ who wants to explore creativity and connection. Clowning builds confidence, resilience, and spontaneity, helping you feel at ease in public and open to play. This workshop is part of a year-round, 3-term programme of drama classes at Church Street Library, led by André Pink and Dendê Collective.
