 - (a) it is sold or offered for sale at or from premises located outside the Permitted Territory;
 - (b) it is delivered or sent to the participant at a place outside the Permitted Territory; or

3 Withdrawal of the sale of Plays

The Licensee shall forthwith withdraw the sale of Plays when so required by the Commission at the Commission's sole discretion.

4. Suspension of the Third Licence

If the Third Licence is suspended under the National Lottery Act, the Licensee shall not promote any Licensed Lottery pursuant to this Licence (and in particular shall not permit any Tickets to be sold or Plays to be made in any Licensed Lottery) without the prior consent of the Commission.

5. Public Announcements

The Licensee shall make such public or other announcements as the Commission shall direct with a view to remedying any failure by the Licensee to comply with the terms of this Licence or (whether or not any such failure shall have occurred) if the Commission reasonably believes that such announcement is appropriate or necessary in order to protect the interests of participants in the Licensed Lottery. Any such announcement shall be made at the expense of the Licensee and may be required to be made by way of any electronic means, including on the Interactive Platform, or by way of paid advertisement in such number of national or regional newspapers as the Commission may specify or by way of circulars posted to participants in the Licensed Lottery or in such other manner (including by paid television or radio advertisement) as the Commission may reasonably require.

6. Privacy

- (1) Save as required by law, the Licensee shall not disclose (other than to the Commission) the identity of:

 - (b) any other person or persons identified by a Prizewinner (a) as a member of the Prizewinner's playing group (being any group of persons who have agreed to contribute to a pool of funds for the purpose of playing the Licensed Lottery) and (b) as thereby entitled to a share of the Prizewinner's prize (provided that the Licensee shall be entitled, for the purposes of this Condition, to rely, without further enquiry, on the accuracy, completeness and comprehensiveness of any such identification).
- (2) For the purposes of this Condition 6(1), a sound made by a lottery terminal to indicate that a winning ticket has been presented in a Licensed Lottery and/or the presentation of a prize entitlement message, shall not of itself constitute disclosure of the identity of a Player, Registered Player or Prizewinner (or any other person referred to in Condition 6(1) (b) above).

7. Promotional Draws⁷

- (1) The Licensee may utilise the amounts sitting to the credit of the Lotto Reserve Fund to run Promotional Draws from time to time.
- (2) The Licensee shall notify the Commission of its intention to use funds from the Lotto Reserve Fund before running Promotional Draws, in accordance with the Lotto Key Procedure

⁷ Licence varied by consent on 21 November 2018

- (3) The rules surrounding the use of the Lotto Reserve Fund are set out in the Trust Deed and the Lotto Key Procedure.

8. Jackpot rollover thresholds⁸

- (1) The jackpot can roll five times.
- (2) If the jackpot is not won in the fifth rollover Lotto Draw (the sixth consecutive Lotto Draw in which the jackpot is not won, known as the **“Must Be Won Draw”**), the jackpot value will be used to pay each winning Lotto entry in the Match 2 prize category £5 in addition to the usual Match 2 prize described in the Game Procedures. Any money remaining after paying all winning Lotto entries in the Match 2 prize category £5⁹ will be distributed amongst the remaining prize categories in which there is at least one winner, in the percentages agreed by the Licensee and the Commission, as set out in Schedule 4 of this Licence.
- (3) The Licensee can designate any Lotto Draw a Must Be Won Draw for promotional purposes as set out within the Lotto Key Procedure. The Licensee will advertise details of any such Must Be Won Draw in advance of it taking place and provide the Commission with at least one calendar month’s advance notice¹⁰

9. Prize Reserve support for jackpots¹¹

- (1) The Licensee may utilise the amounts sitting to the credit of the Lotto Reserve Fund to:
 - (a) top up the jackpot value for Base Draws, in accordance with the Lotto Key Procedure; and
 - (b) top up the jackpot value in a Must Be Won Draw if the jackpot is not won and the jackpot value is insufficient to pay each winning Lotto entry in the Match 2 prize category £5 in addition to the usual Match 2 prize described in the Game Procedures, in accordance with the Lotto Key Procedure¹².

10. Variable Prize Payout¹³

- (1) 50% of sales for each Lotto Draw will be available to be paid out in prizes (the “Prize Fund”). 4.39% of sales for each Lotto Draw will be allocated from the Prize Fund to the Lotto Reserve Fund for the payment of prizes in line with Conditions 7 and 8 of Schedule 2 of this Licence and the Lotto Key Procedure.

⁸ Licence varied by consent on 21 November 2018

⁹ Licence varied by variation on 03 April 2020

¹⁰ Licence varied by variation on 27 May 2020

¹¹ Licence varied by consent on 21 November 2018

¹² Licence varied by variation on 03 April 2020

¹³ Licence varied by consent on 21 November 2018

- (2) The actual prizes won in a Lotto Draw may be lower or higher than 50% of sales for that Draw, depending on whether there is a low or high number of fixed prizes won.
- (3) Where there is a lower than statistically expected number of fixed prizes won, any difference in the value of prizes won and the Prize Fund of 50% will be paid to PRT6, in accordance with the Lotto Key Procedure.
- (4) Where there is a higher than statistically expected number of fixed prizes, any difference in the value of prizes won and the Prize Fund of 50% will be paid for out of PRT6, subject to the provisions set out in the Lotto Key Procedure (such provisions including arrangements in the event of there being insufficient funds in PRT6 to top up the Prize Fund).

11. Prize Capping¹⁴

- (1) Match 3 to Match 5 + Bonus Ball

If 35.82% of sales for a Lotto Draw plus the amount agreed by the Licensee and the Commission (£35million as at November 2018), is not enough to pay the Match 2 to Match 5 + Bonus Ball prizes for that Lotto Draw then the Match 3 to Match 5 + Bonus Ball prizes will be subject to capping. The capping procedure is set out in Section I of the Lotto Online Game Procedures and in the “What is Prize capping” section of the Lotto Retail Game Procedures.

- (2) Jackpot Prize capping

Where required, the Licensee shall use PRT6 to top up the jackpot prize fund so that each Match 6 winning Lotto entry will receive at least the same value as a Match 5 + Bonus Ball winning Lotto entry (including for Promotional Draws). The amount of money available to top up each winning Lotto entry in the jackpot prize category is limited to £7million. If £7million is not sufficient to top up each Match 6 winning Lotto entry to the same value as the Match 5 + Bonus Ball prize category then the amount available for distribution amongst winning Lotto entries in the jackpot prize category will be the jackpot plus £7million, and the prize per winning Lotto entry in the jackpot prize category may be less than the Match 5 + Bonus Ball prize category.

12. Draw Frequency

Draws for the Licensed Lotteries shall take place on every Wednesday and Saturday during the Term or such other day as the Commission may agree.

13. Draw Procedures

¹⁴ Licence varied by consent on 21 November 2018

The Licensee shall conduct all Draws in respect of each Licensed Lottery in accordance with Draw procedures.

14. Excessive Participation in Constituent Lotteries

If, in the opinion of the Commission, the promotion of any Licensed Lottery shall, alone or together with any other factor including but not limited to the promotion of any other Licensed Lottery, have resulted or be likely to result in excessive participation in Constituent Lotteries by any person or group of persons or generally, the Commission may require the Licensee to suspend (from such date and for such period as it may specify or indefinitely) the promotion of or sale of Tickets, Plays or Subscriptions for future Licensed Lotteries.

15. General

- (1) Any condition contained in the Third Licence that is relevant to or bears upon the promotion of the Licensed Lotteries by the Licensee pursuant to this Licence, including, but without limitation, Condition 12, shall, so far as is not inconsistent with this Licence, apply to this Licence as if that condition were incorporated in this Licence.
- (2) The Commission's rights and remedies pursuant to this Licence in relation to a breach of any condition that has been incorporated into this Licence by virtue of Condition 15(1) shall be restricted to the revocation of this Licence.
- (3) Nothing in this Condition 15 shall restrict the Commission's rights or remedies pursuant to the Third Licence that is also a breach of this Licence by virtue of Condition 15(1).
