

Section 6. Changes to Licensed Activities

7. If you wish to add a licensed activity, remove a licensed activity or amend the category of a licensed activity please select the relevant cross boxes AND specify the licence category you are applying for in the licence category box.

The licence categories available for each licence activity are listed for your reference. Licence categories A1 to E9 relate to non-remote licence activities and F1 to M1 relate to remote licence activities.

If you wish to add Pool Betting or amend the category for an existing Pool Betting activity you must also select the sub category you are applying for, the sub categories are listed in italics.

Please note, if you wish to add a licensed activity or increase a licence category, you are required to complete questions 7, 8 and 9 in this section. If you wish to remove a licensed activity or reduce a licensed category, you are required to complete question 7 in this section.

Please do not use this form if you are seeking an additional licence e.g. if you hold a non-remote operating licence only and are intending to add remote activities.

You may require more than one type of licence and/or licence activity to fully license all of your operations. Please read the descriptions of all licence types and licence activities and ensure that you apply for all required licences. Please refer to our website www.gamblingcommission.gov.uk for further information.

Section 6. (continued)

The Gambling Commission has to consider whether a licensed operator has the necessary financial resources available to be able to provide gambling services or facilities in a manner consistent with the licensing objectives of the Act and the Licence Conditions and Codes of Practice.

9. Where you are applying to add a licence activity or increase the category of a licensed activity by more than one category, in order to assess the financial resources of an operator the Gambling Commission requires the following information.

- An updated business plan;
- Original bank statements for the past 6 months for all bank accounts held by the applicant OR the latest available annual accounts for the applicant as provided by their accountant (preferably audited).

Please note, the Gambling Commission may request additional financial information.

Section 8. Changes to Key Personnel or On-course Representatives (SSO only)

12. If you wish to add or remove a key person (any individuals with overall responsibility for a management function) or an on-course representative (any individuals who accept bets on your behalf without your direct supervision) associated with your Operating Licence, please complete the details below. Please use a continuation sheet if necessary.

Where you wish to add a key person, you are required to complete questions 12 and 13 in this section.

For any individuals being added to your operating licence, if the individual has not been approved as an Annex A and/or that approval is no longer active or does not hold a Personal Management Licence (PML), they must complete an [Annex A personal declaration or PML application online](#). Please refer to our website www.gamblingcommission.gov.uk for further information.

Please note, any individuals who complete an Annex A personal declaration or PML application online will undergo an online Disclosure and Barring Service (DBS) check if they consent to that. If the individual is resident in Scotland, we will send a Disclosure Scotland application form for them to complete and return. If the individual is resident overseas or has been resident in Great Britain for less than two years, they must upload a police report from that country with their application.

For any on-course representatives you wish to add, please ask them to upload a copy of their contract of employment with their Annex A online submission if they need to make one or please supply the copy with this application.
