

STARTUP SUPERNOVA

Company: GrowthApp.co

Executive summary

GrowthApp is the simplest, most advanced growth platform for startups in the market today. Our innovative tools empower first-time founders to rapidly organize their business ideas into simple executable plans and visualize a clear path to success.

Timeline

Why us?

We bring 20+ years international experience in startups, tech & marketing, having successfully launched & sold previous ventures. We've personally seen the challenges entrepreneurs face on their journey.

Company mission

Each year, millions of entrepreneurs worldwide struggle with the challenges of organizing & scaling their startups, with 90% facing failure. GrowthApp is here to change that, unlocking unprecedented human potential and driving entrepreneurs toward success.

Project description

We blend AI, micro learning, task tracking and a tools library into a unified platform. No other solution in the market offers such a holistic approach to startup growth.

Unique value proposition

Many startups don't know how to start organizing their ideas. We give them access to a set of tools to help organize their goals, ideas and tasks. We're their 24/7 growth coach.
