

Meramec Expands Capacity to Deliver Faster, More Reliable Service

November 25, 2025

We're excited to announce Meramec's latest capacity expansion—a major milestone for our company and our customers. This achievement marks a new chapter in our journey and reflects the continued support from our customers, partners, and community members who have helped drive our growth.

What this means for you:

- **Shorter Lead Times**
Standard lead times are now just 6-10 weeks, ensuring faster delivery.
- **Rapid Response for Emergency Orders**
Our enhanced facility allows us to handle urgent requests more efficiently, so emergency orders are fulfilled quickly.
- **Improved Availability and Reliability**
Increased capacity minimizes the risk of product shortages and strengthens our ability to deliver on time.

This expansion underscores our commitment to providing exceptional service and meeting your needs.

We invite you to visit and tour our upgraded operation. If you can't make it in person, click [here](#) for a virtual look at our facility.
