

MARSHALL AMP SERVICE CENTRE DIRECTORY

Independent service centres for Out-Of-Warranty Amp repairs

OUT-OF-WARRANTY REPAIRS

You can contact the service centre directly for an Out-Of-Warranty repair. Your booking, repair arrangements and payment are handled by the service centre, not Marshall.

IN-WARRANTY REPAIRS - BOOK THROUGH MARSHALL

If your product is within warranty, do not book directly with a service centre. All warranty related repair bookings must be arranged through Marshall Support.
