

# CONCOURSE B RENOVATIONS

## FACT SHEET

### PROJECT DESCRIPTION:

The terminal building opened May 2, 1982. Concourse B, first named West Concourse, is one of two original CLT concourses. Its current makeover signifies the most extensive renovation to the 37-year-old building. Improvements include new gate seating with integrated power and USB, wireless charging on alternate armrests, new flooring, wall finishes – including artwork- new ceiling tiles, a new intercom system and improved LED lighting. Work is currently underway on Concourses A and C. The renovations are part of Destination CLT, a \$2.5-\$3.1 billion capital investment in capacity enhancement projects.

### ARTWORK:

In partnership with the Arts & Science Council and Public Art Commission  
Artists: Raéd Al-Rawi and Nico Amortegui  
Titles: *Journey 1* and *Journey 2*; *We are ALL on the Same Plane* and *Catawba Queen*

### SPECIAL FEATURES:

Gate seating features integrated power and two USB ports in each chair, along with wireless charging units and cup holder. American Airlines also upgraded its Admirals Club lounge, which opened February 20 after a seven-month renovation.
