

2024 CLT AVIATION ACADEMY

Why you should sponsor the CLT Aviation Academy:

Charlotte Douglas International Airport (CLT) is a major economic engine for our region and the state, providing general aviation services as well as serving as a major employer, commercial, logistics and military hub for the region. Community relationships are important and public and private leaders are proactively developing skills to engage others about airport practices and the positive impacts on local communities. Be part of this important dialogue by supporting the CLT Aviation Academy.
