I'm a Certified Cloud Native Developer with hands-on experience in developing and deploying modern web applications using the latest tools and technologies. I'm seeking to launch a career by building web applications and services. I am reliable, hard-working with strong attention to detail and eager to learn about new technologies. I can work well both in my initiative and as a part of a team.

EDUCATION

Cloud Native and Mobile Web Computing
Presidential Initiative for Artificial Intelligence & Computing
03/2020 - 12/2022   *Grade: A*
