Internal Revenue code places responsibility for the "Fair Market Value" upon the donor rather than the agency receiving the gift. The internal Revenue advises that "Fair Market Value" is interpreted as the price which buyer is willing to pay and a seller is willing to accept.

No goods or services were given for this donation.

NEIGHBORS HELPING NEIGHBORS. That's what the Society of St. Vincent de Paul is all about — caring people helping their neighbors in need of the most basic necessities — food, shelter, clothing, transportation and emotional comfort. There are heart-braking circumstances right here in our community, but practical, compassionate person-to-person caring can make a world of difference.

**THANK YOU,
BOARD OF DIRECTORS**

“It is a ruse of the devil, by which he deceives good people, to induce them to do more than they are able, so that they end up not being able to do anything. The spirit of God urges one gently to do the good that can reasonably be done, so that it may be done perseveringly and for a long time.” — Vincent de Paul, 1581 - 1660
