### Important Tax Notice to US Shareholders of G Mining Ventures Corp.

This statement is provided for certain United States (“US”) shareholders of G Mining Ventures Corp. (“GMIN” or the “Corporation”) who are US citizens, US residents, and other persons classified as “US persons” (hereinafter referred to as the “US Holder”) under the Internal Revenue Code of 1986, as amended (“IRC”). Investors in the Corporation should consult with their tax advisers to determine whether they are classified as a US Holder with respect to the Corporation.

GMIN may be classified as a Passive Foreign Investment Company (“PFIC”), as defined in IRC § 1297(a). This PFIC Annual Information Statement pursuant to Treas. Reg. § 1.1295-1(g)(1) is to provide information that will enable US Holders to file IRS Form 8621 in connection with their ownership of GMIN shares for US federal income tax purposes. You can also find information on US tax rules applicable to investments in a PFIC on the IRS website, irs.gov, by searching for “[Form 8621 Instructions](http://www.irs.gov/pub/irs-pdf/i8621.pdf).” (<http://www.irs.gov/pub/irs-pdf/i8621.pdf>)

A US Holder of GMIN shares may choose to have GMIN treated, with respect to such US Holder, as a “Qualified Electing Fund” or a QEF (an “**Electing Shareholder**”). The Electing Shareholder will generally be required to include in its current gross income the pro rata share of such shareholder’s GMIN’s annual ordinary earnings and net capital gains, if any, in any taxable year for which GMIN is a PFIC, regardless of whether or not distributions were received thereof.

US HOLDERS ARE ADVISED TO CONSULT THEIR OWN TAX ADVISORS ABOUT THE POSSIBLE APPLICABILITY OF THE PFIC RULES AND THE AVAILABILITY OF MAKING QEF ELECTIONS TO MITIGATE ADVERSE US TAX CONSEQUENCES FROM THE INVESTMENT IN THE SHARES OF GMIN.
