# Certificate of Approval

This is to certify that the Management System of:

## Drax Energy Solutions Limited

32 The Havens, Ransomes Industrial Estate, Ipswich, IP3 9SJ, United Kingdom

has been approved by LRQA to the following standards:

### ISO 45001:2018

Approval number(s): ISO 45001 – 0044175

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

#### The scope of this approval is applicable to:

To provide energy solutions to business customers including the supply of renewable electricity and the purchase of power from electricity generators, requiring the management of externally provided services for electricity meter operations. The Energy Services department and, wholly owned subsidiary, carry out Electric Vehicle charge point direct and externally provided construction activities (design and install) from office and warehouse facilities in Coventry, Gatwick and Airdrie.
