

...NOW WHAT?

Keep the conversations going! Reflect on this event; what stood out to you? Did you learn anything new? Do you feel more or less confident about your future?

Continue to ask questions and learn about the options out there. Remember that career exploration is a journey, you don't need to have it all figured out. You're allowed to change your mind and path along the way.

Let us know what you thought of the event so we can continue to help young people on their career journeys. Send us your feedback by emailing ed@bepwr.ca.

Caregivers, see our "Becoming Your Child's Career Coach" resource on our website (www.bepwr.ca/eyf) for tips on how to help young people in your life reflect on what they experienced.
