

## CAMERA SYSTEMS

### EC2030-WC Gemineye™ Battery Operated Wireless Camera

The Gemineye™ battery operated wireless camera system utilises ECCO's unique camera design. Comprising a feature-packed CMOS color infrared camera, the EC2030-WC delivers excellent picture quality even in low-light conditions. With short charging time, long battery life, and a heavy-duty magnet mount, this camera is perfect for a variety of applications. The compact camera allows for unobtrusive installation without compromising viewable area.
