

WORKLAMPS

EW2461 Square Magnetic LED

Now with USB-C for even easy charging!

Featuring a high intensity flood beam and three operating modes - 100% intensity, 30% intensity & SOS flashing, this battery powered worklamp combines mobility with high performance and a compact design.

The long-life, lithium rechargeable battery allows the worklamp to be operated for 3-4.5 hours before recharging is required. Supplied with a long 1.5M charging cable and 12V adaptor.
