DIRECTIONAL LEDS

ED3800 VIZ™ SERIES

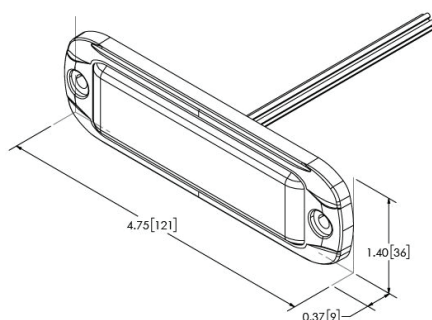

Illuminates High Visibility Clothing and Materials

The ED3800 Viz™ Series LED warning light features groundbreaking HINVII™ technology that significantly enhances jobsite safety by actively illuminating high visibility gear such as vests, cones and signage, improving worker visibility in high traffic areas, low light conditions and fog. Designed for utility, construction and commercial service vehicles, this ultra-low profile directional light offers easy mounting. It delivers superior performance with synchronised flash patterns, wide-angle optics and independent colour control, setting a new standard in vehicle safety lighting—patented technology.

Model

PART NO.	ILLUMINATING COLOUR OPTIONS	TYPE	AMPS	VDC
ED3802AH	A H	DUAL	0.85	12-24
ED3802XXH	A G H A B H A W H	TRI	0.85	12-24
