

WORKLIGHTS

ED9215 Series

Combination Warning and Worklight

The ED9215 is ideal for mounting on bumpers or the grille. It produces 135° of coverage and features a powerful light to illuminate the job site. The intense white light is in the center and it is flanked by dual-colour warning lights. Two Hide-A-LED™ warning lights are mounted at a 45° angle on each end to provide effective off-angle visibility. Be seen and get the job done safely with this all-in-one, directional lighting solution.
