

DIRECTIONAL LEDS

ED5051VDL1

Deck, Dash & Visor Light

ECCO's low-profile ED5051VDL1 deck, dash and visor light delivers discreet warning Design Features wherever an interior light is needed in a work truck or any fleet vehicle. Permanently or temporarily mount the warning light with included brackets using suction cups, tape or screws. The dual-colour LED light heads are available in combinations of white and amber colours, which are capable of producing 36 flash patterns including steady-burn. The cigarette plug adapter also includes a simple two-button controller. The removable shroud prevents unwanted flash back from the windshield.

Design Features
