**Covered Dental Services And Patient Charges – Florida Individual Schedule - U10FLI05**

**The services covered by this Plan are named in this list. If a procedure is not on this list, it is not covered. All services must be provided by the assigned PCD.**

The member must pay the listed patient charge. The benefits we provide are subject to all of the terms of this Plan, including the Limitations on Benefits for Specific Covered Services, Additional Conditions on Covered Services and Exclusions as described in the Member’s Plan booklet and the Manual (including the Quality Management retrospective review).

There is a limit on the total amount of Patient Charges a Member who is under age 19 must pay each calendar year for pediatric essential health benefits as determined by Florida. The Maximum Out Of Pocket limit is \$375.00 for each such Member. Once this limit is reached this Plan waives Patient Charges for such benefits for the rest of the calendar year for such Member. But if two or more such Members meet the Maximum Out Of Pocket limit of \$750.00 in a calendar year, this Plan waives the Patient Charges for such benefits for all other such Members for the rest of the calendar year. The dental services identified with the asterisk symbol (\*) reflects the pediatric essential health benefits.

We cover the pediatric dental care services for Members through the end of the month in which the Members turn 19 years of age.

There is no Maximum Out Of Pocket for Members age 19 and over. Members age 19 and over are responsible for the Patient Charge listed.

The patient charges listed this section are only valid for covered services that are: (1) started and completed under this Plan, and (2) rendered by participating dentists in the State of Florida.
