

Guardian® Basics for Families and Individuals

- See any dentist you want but you can save more when you visit a dentist that participates in Guardian’s DentalGuard Preferred network. As one of the largest networks nationwide, chances are your dentist is already participating. Charges for services provided by participating dentists are reimbursed directly from Guardian.
- Get most preventive services, such as oral exams, cleanings and x-rays covered at 100% once the annual deductible has been reached.
- You can choose to see a dentist outside of the network and you’ll be reimbursed based on the lower of your dentist’s fees, or the maximum allowable charge, which is the amount that would be paid to dentists who have agreed to be reimbursed according to a negotiated fee schedule. You would be responsible for any amounts over the maximum allowable charge as well as any co-insurance.
