MARCH
2021

waves of wellness

project Serra. **Commune Design**

site Los Angeles.

standout Home to the Southern California debut of the Oregon company called the Italian word for *greenhouse* is a gut-renovated former parking garage, now filled with light and displays for vapes, edibles, and topicals in a luxe brass, white oak, and Carrara marble palette akin to what's found in a high-end accessories boutique, aka "the Louis Vuitton of cannabis." ➤
