For purposes of this Section 213(a), the term "significant action" means (1) any action or Rule change that addresses a specific Emergency or (1) any change in margin level that is designed to respond to extraordinary market conditions or that otherwise is likely to have a substantial effect on prices in any Contract.

A direct and substantial financial interest includes positions in Contracts in accounts of, controlled by, or affiliated with the Interested Person or in any other types of direct and substantial financial positions of the Interested Person that are reasonably expected to be affected by the deliberations or vote; and/or

- (3) The Chief Regulatory Officer will determine whether any member of the relevant deliberating body who chooses to participate in any deliberations or vote in a Self-Regulatory Action is subject to a conflicts restriction under this Rule 213(a).

 - iii. any other source of information that is held by and reasonably available to the Exchange taking into consideration the exigency of the significant action being contemplated.
- (d) Any Interested Person who would be required otherwise to abstain from deliberations and voting pursuant to Rule 213(a) as a result of having a direct and substantial financial interest in the result of the deliberations and vote may participate in deliberations, prior to a vote on the matter, if the deliberating body, after considering the factors specified below, determines that such participation would be consistent with the public interest; provided however, that before reaching any such determination, the deliberating body will fully consider the position information specified in Rule 213(c)(2) above which is the basis of such member's substantial financial interest in the Self-Regulatory Action that is being contemplated. In making its determination, the deliberating body will consider:
 - (1) whether such member's participation in the deliberations is necessary to achieve a quorum; and
 - (2) whether such member has unique or special expertise, knowledge or experience in the matter being considered.
- (e) The minutes of any meeting to which the conflicts determination procedures set forth in this Rule 213 apply will reflect the following information:

 - (2) the name of any member of the relevant deliberating body who voluntarily recused himself or herself or was required to abstain from deliberations or voting on a matter and the reason for the recusal or abstention, if stated;
 - (3) information on the position information that was reviewed for each member of the relevant deliberating body; and
 - (4) any determination made in accordance with Rule 213(d) above.
- (f) If a determination is made that all Directors are Interested Persons with respect to a matter subject to a vote by the Board, the Chief Executive Officer will appoint a panel of

individuals who are not Interested Persons with respect to such matter, which will have the same authority and powers over such matter that the Board would have if the Directors were not Interested Persons with respect to such matter.

- (g) No Director, Officer or member of any committee or panel established by the Board shall use or disclose for any purpose other than the performance of his or her official duties and responsibilities as a Director, Officer or committee or panel member any material, non-public information obtained as a result of the individual's duties and responsibilities as a Director, Officer or committee or panel member. No Director, Officer or committee or panel member shall, directly or indirectly, disclose or use at any time, either during his or her association with the Exchange or thereafter, any confidential information of which the Board member or committee or panel member becomes aware. For purposes of the relationship between the relevant Clearing Firm and the Exchange, and the obligations of such Clearing Firm to the Exchange, any such revocation shall become effective upon the receipt of written notice thereof by the Exchange. Upon such receipt, the Trading Privileges of the Participant subject thereto shall be automatically terminated, and such Participant must obtain another guarantee from a Clearing Firm before its Trading Privileges will be reinstated.

RULE 305. Dues, Assessments and Fees

- when due. The Exchange may change fees charged to Participants without notice.
- (c) If a Participant fails to pay when due any such dues, assessments or fees levied on such Participant, and such payment obligation remains unsatisfied for thirty days after its due date, the Exchange may suspend, revoke, limit, condition, restrict or qualify the Participant's Trading Privileges and/or ability to otherwise access the Exchange Trading System as it deems necessary or appropriate.

- (c) This Rule 516 shall not be construed to contravene any instructions received from a

Customer respecting any Order prior to its execution, but shall be construed to permit execution of Orders under the conditions prescribed without prior instructions from the Customer.

RULE 517. Liquidity Provider and Market Maker Programs

- (a) The Exchange may, from time to time, establish programs that provide Participants with financial incentives for meeting trading volume or liquidity thresholds as may be established by the Exchange.
- (b) All Participants are eligible to become Liquidity Providers or Market Makers, provided the Participant can meet the program obligations.

RULE 518. Withholding Orders Prohibited

Any Participant entering Orders on the Exchange Trading System shall not withhold or withdraw from the market any Order, or any part of an Order, for the benefit of any Person other than for the Customer for whom the Participant is placing the Order.

RULE 519. Priority of Customers' Orders

No Participant shall enter an Order into the Exchange Trading System for his own account, an account in which he has a direct or indirect financial interest or an account over which he has discretionary trading authority, including, without limitation, an Order allowing discretion as to time and price, when such Participant is in possession of any unsubmitted Customer Order that the Exchange Trading System is capable of accepting.

RULE 520. Handling of Customer Orders

- (a) General Prohibition - No Participant in possession of a Customer Order shall knowingly take, directly or indirectly, the opposite side of such Order for its own account, an account in which it has a direct or indirect financial interest, or an account over which it has discretionary trading authority.
- (b) Exceptions - The foregoing restriction shall not apply to the following:
 - (1) Transactions executed pursuant to Rules 601 and 602; or
 - (2) On the Exchange Trading System, a Participant may knowingly Trade against a Customer Order for its own account, an account in which it has a direct or indirect financial interest, an account over which it has discretionary trading authority, or a Proprietary Account of its employer, only if the Customer Order has been entered immediately upon receipt and has first been exposed on the Exchange Trading System for a minimum of five (5) seconds in the case of Futures Orders or for a minimum of fifteen (15) seconds in the case of Options Orders.

RULE 521. Disclosing Orders Prohibited

No Participant shall disclose another Customer's Order to buy or sell except to a designated Exchange Official or the CFTC, and no Participant shall solicit or induce another Participant to disclose Order information. No Person shall take action or direct another to take action based on non-public Order information, however acquired. The mere statement of opinions or

indications of the price at which a market may open or resume trading does not constitute a violation of this rule.

RULE 522. Simultaneous Buy And Sell Orders For Different Beneficial Owners

On the Exchange Trading System, opposite Orders for different beneficial owners that are simultaneously placed by a Participant with discretion over both accounts may be entered into the Exchange Trading System, provided that one (1) Order is exposed for a minimum of five (5) seconds in the case of Futures Orders or a minimum of fifteen (15) seconds in the case of Options Orders. An Order allowing for price and/or time discretion, if not entered immediately upon receipt, may be knowingly entered opposite another Order entered by the same firm only if this other Order has been entered immediately upon receipt and has been exposed on the Exchange Trading System for a minimum of five (5) seconds for Futures Orders or a minimum of fifteen (15) seconds for Options Orders.

RULE 523. Wash Sales Prohibited

No Person shall place or accept buy and sell Orders in the same product and expiration month, and, for a put or call Option, the same strike price, where the person knows or reasonably should know that the purpose of the orders is to avoid taking a bona fide market position exposed to market risk (transactions commonly known or referred to as wash sales). Buy and sell Orders for different accounts with common beneficial ownership that are entered with the intent to negate market risk or price competition shall also be deemed to violate the prohibition on wash sales. Additionally, no Person shall knowingly execute or accommodate the execution of such Orders by direct or indirect means.

RULE 524. Recordkeeping Requirements for Entering Orders into the Exchange Trading System

(a) General Requirements.

- (1) Each Authorized Trader or Authorized Broker entering Orders into the Exchange Trading System shall input for each Order:
 - i. the User ID assigned by the Exchange;
 - ii. the price or yield, quantity, product, maturity or expiration month or date, CTI code and account number (except as provided in Section (d)), and, for Options, put or call and strike price; and
 - iii. The Authorized Trader's or Authorized Broker's user ID must be present on each Order entered.
- (2) With respect to Orders received by an Authorized Trader or Authorized Broker that are capable of being immediately entered into the Exchange Trading System, no record other than that set forth above need be made. However, if an Authorized Trader or Authorized Broker receives an Order that cannot be immediately entered into The Exchange Trading System, the Authorized Trader must prepare a written Order and include the account designation, date, an electronic timestamp reflecting the time of receipt and other information required pursuant to section (a) above. The Order must be entered into The Exchange Trading System when it becomes executable.

- (b) Electronic Audit Trail Requirements for Electronic Order Routing/Front-End Systems.
- (1) Clearing Firms guaranteeing a connection to the Exchange Trading System are responsible for maintaining or causing to be maintained the Order routing/front-end audit trail for all electronic Orders, including Order entry, modification, cancellation and responses to such messages (referred to as the “Electronic Audit Trail”), entered into the Exchange Trading System through any gateway to the Exchange Trading System.
 - (2) The Electronic Audit Trail must be maintained for a minimum of five (5) years, and Clearing Firms must have the ability to produce this data in a standard format upon request of the Market Regulation Department. This Electronic Audit Trail must contain all Order receipt, Order entry, Order modification, and response/receipt times to the highest level of precision achievable by the operating system, but at least to the hundredth of a second. The times captured must not be able to be modified by the Person entering the Order. The data must also contain all Fix Tag information and fields which should include, but is not limited to the following: A record of all fields relating to Order entry, including Transaction date, product, Exchange code, expiration month, quantity, Order Type, Order Qualifier, price, buy/sell indicator, stop/trigger price, Order number, unique Transaction number, account number, session ID, operator ID, host Order number, Trader Order number, Clearing Firm, type of action, action status code, customer type indicator, origin, and timestamps. For executed Orders the audit trail must record the execution time of the Trade along with all fill information.
 - (3) In the case where the guaranteeing Clearing Firm has a direct connect Customer that is another Clearing Firm, the Clearing Firm may notify the Customer Clearing Firm in writing that it is their obligation to maintain the Electronic Audit Trail. It shall be the duty of the Customer Clearing Firm to maintain an Electronic Audit Trail pursuant to this rule.
- (c) Bunched Orders and Orders Eligible for Post Execution Allocation.
- (1) Bunched Orders must be allocated and recorded in accordance with CFTC Regulation 1.35(b) and the NFA’s Interpretative Notice related to Compliance Rule 2-10.
 - (2) Bunched Orders may be entered using a series designation or suspense account number provided that:
 - i. the Order is being placed by an account manager for multiple accounts eligible for post execution allocation; or
 - ii. a written, predetermined allocation scheme that defines the series has been provided to the FCM accepting or clearing the Order prior to the time that such Order is entered. In the latter case, if such information has not been provided to the FCM prior to the time of Order entry, each specific account number must be entered into the Exchange Trading System. Additionally, for all such bunched Orders executed on the Exchange Trading System, the final account specific allocations must be submitted to the Exchange Trading System no later than the end of each

trading day.

- (3) Bunched Orders for non-discretionary accounts may be entered through the Exchange Trading System; however, only the following Order Types may be bunched: same priced limit Orders, same priced stop Orders and market Orders received prior to the opening of the Exchange Trading System trading session. Such non-discretionary Orders may only be bunched in the following instances:
 - i. Each Order underlying the bunched Order must be reduced to writing and include the information required pursuant to Section (a)(1) above;
 - ii. Allocation of the executions for the bunched Orders must be fair and equitable in accordance with the NFA's Interpretative Notice related to Compliance Rule 2-10; and
 - iii. In circumstances where the Order is bunched, the Participant accepting the Order must, contemporaneously with the Order placement, transmit the individual account numbers and quantities associated with the bunched Order to the Clearing Firm. Such transmission shall be maintained by the Clearing Firm along with the bunched Order.
- (d) Customer Type Indicator (CTI) Codes.
Each Clearing Firm must identify each Transaction executed on the Exchange Trading System on the record of Transactions submitted to the Exchange with the correct customer type indicator (CTI) code. The CTI codes are as follows:
 - (1) CTI 1- Transactions initiated and executed by a member for his/her own account, for an account he/she controls or for an account in which he/she has ownership or financial interest. CTI 1 is not applicable to the Exchange because the Exchange does not have members or a trading floor.
 - (2) CTI 2- Transactions executed for the proprietary account of a Clearing Firm or non-Clearing Participant Firm (i.e., a Participant Firm trading for its own account held at a Clearing Firm).
 - (3) CTI 3- Transactions where an individual member or Authorized Trader executes for the personal account of another individual member, for an account the other individual member controls or for an account in which the other individual member has ownership or financial interest.
 - (4) CTI 4- Any Transaction not meeting the definition of CTI 1, 2 or 3.

RULE 525. Prearranged, Pre-Negotiated and Noncompetitive Trades Prohibited

- (a) No Person shall prearrange or pre-negotiate any purchase or sale or noncompetitively execute any Transaction, except in accordance with Sections (b) and (c) below.
- (b) The foregoing restriction shall not apply to Block Trades affected pursuant to Rule 601 and EDRP affected pursuant to Rule 602.
- (c) Pre-Execution communications regarding the Exchange Trading System Trades. Parties may engage in pre-execution communications with regard to Transactions executed on the Exchange Trading System where one party (the first party) wishes to be assured that a contra party (the second party) will take the opposite side of the Order subject to the following restrictions:
 - (1) A party may not engage in pre-execution communications with other market

- Participants on behalf of another party unless the party for whose benefit the Trade is being made has previously consented to permit such communications.
- (2) Parties to pre-execution communications shall not:
 - i. disclose to a nonparty the details of such communications; or
 - ii. enter an Order to take advantage of information conveyed during such communications, except in accordance with this Rule.
 - (3) The first party's Order must be entered into the Exchange Trading System first and the second party's Order may not be entered into the Exchange Trading System platform until a period of five (5) seconds has elapsed from the time of entry of the first Futures Order or a period of fifteen (15) seconds for Options Orders.

RULE 526. Responsibility For Customer Orders

- (a) Standard of Responsibility.
 - (1) A Participant shall exercise due diligence in the handling and execution of Customer Orders. Failure to act with due diligence shall constitute negligence. In the case of a dispute as to whether a Participant has exercised due diligence, the appropriate arbitration or disciplinary panel is authorized to determine whether the Participant was negligent and, if so, whether an adjustment is due to the Customer.
 - (2) A Participant is prohibited from directly or indirectly guaranteeing the execution of an Order or any of its terms, such as the quantity or price. A Participant may only report an execution that has been effected through the Exchange Trading System or has been executed under Chapter 6. This Rule 526(a) shall not be construed to prevent a Participant from assuming or sharing in the losses resulting from an error or the mishandling of an Order.
- (b) Liability for Negligence. A Participant may not adjust the price at which an Order was executed or be held responsible for executing or failing to execute an Order unless such Participant was negligent or is settling a bona-fide dispute regarding negligence. A Participant may not compel an adjustment from another Participant in the absence of a bona-fide dispute regarding negligence. Participants and Clearing Firms shall document all adjustments. Participants and Clearing Firms shall make and retain a record which contains the date the adjustment was received, the name of the Participant making the adjustment, the account to which the adjustment was credited, the amount of the adjustment, the Order number and the reason for the adjustment. Such records must be provided to the Market Regulation Department upon request.

RULE 527. Discretionary Orders

No Participant shall submit a discretionary Order to the Exchange Trading System for any account of another Person, without the prior specific written consent of such other Person to the exercise of such discretion, provided, however, that the restrictions set forth in this subparagraph shall not apply to a discretionary Order for: (i) an account of that Person's spouse, parent, parent of a spouse, brother, sister, child, or spouse of a child; or (ii) a Proprietary Account of the Participant.

RULE 528. Priority of Execution

Non-discretionary Customer Orders received by a Participant, an Authorized Trader or Authorized Broker shall be entered into the Exchange Trading System in the sequence received. Non-discretionary Orders that cannot be immediately entered into the Exchange Trading System must be entered when the Orders become executable in the sequence in which the Orders were received.

RULE 529. Average Price System

- (a) Application of Average Prices. A proprietary average price system (“APS”) developed by a Participant or Clearing Firm allows a Participant or Clearing Firm to confirm to Customers an average price when multiple execution prices are received on an Order or series of Orders for the same instrument. An Order or series of Orders executed for the same instrument during the same trading day at more than one (1) price may be averaged pursuant to APS only if each Order is for the same account or group of accounts and for the same instrument, or for the same instrument, maturity, put/call, and strike price for Options.
- (b) Requirements for APS Trades. The requirements enumerated below must be met for APS Transactions.
- (1) The Customer must have requested average price reporting;
 - (2) Each individual Trade must be submitted to the Exchange at the executed price;
 - (3) A Participant or Clearing Firm must compute and confirm the weighted mathematical average price, as set forth in Section (c);
 - (4) A Participant or Clearing Firm must possess the records to support the calculations and allocations to Customer Accounts and must maintain these records pursuant to CFTC regulations; and
 - (5) A Participant or Clearing Firm must ensure that its proprietary Trades are not averaged with Customer APS Trades.
- (c) Computation of Average Price. Upon receipt of an execution or match at multiple prices for an APS Order, the weighted mathematical average must be computed by:
- (1) multiplying the number of instruments purchased or sold at each execution price by that price;
 - (2) adding the results together; and
 - (3) dividing by the total number of instruments.
- An average price for a series of Orders will be computed based on the average prices of each Order in that series. The actual average price or the average price rounded to the next price increment may be confirmed to Customers. If a Participant or Clearing Firm confirms the rounded average price, the Participant or Clearing Firm must round the average price up to the next price increment for a buy Order or down to the next price increment for a sell Order. The residual created by the rounding process must be paid to the Customer. APS may produce prices that do not conform to whole cent increments. In such cases, any amounts less than one cent (\$0.01) may be retained by the Participant or Clearing Firm.
- (d) Disclosure. Each Participant or Clearing Firm that confirms an average price to a

Customer must indicate on the confirmation and monthly statement that the price represents an average price.

RULE 530. Position Limits And Exemptions

- (a) The position limit levels applicable to those Contracts with position limits are set forth in the Position Limit, Position Accountability, and Reportable Level Table in Rule 533.
- (b) A Person seeking an exemption from position limits must apply to the Market Regulation Department on forms provided by the Exchange. In order to obtain an exemption from position limits, a Person must:
 - (1) Provide a description of the exemption sought, including whether the exemption is for bona fide hedging positions as defined in CFTC Regulation 1.3 or any other applicable CFTC Regulation, risk management positions or arbitrage/spread positions;
 - (2) Provide a complete and accurate explanation of the underlying exposure related to the exemption request;
 - (3) Agree to promptly provide, upon request by the Market Regulation Department, information or documentation regarding the Person's financial condition;
 - (4) Agree to comply with all terms, conditions or limitations imposed by the Market Regulation Department with respect to the exemption;
 - (5) Agree that the Market Regulation Department may modify or revoke the exemption at any time;
 - (6) Agree to initiate and liquidate positions in an orderly manner; and
 - (7) Agree to promptly submit a supplemental statement to the Market Regulation Department whenever there is a material change to the information provided in the most recent application.
- (c) A Person intending to exceed position limits, including limits established pursuant to a previously approved exemption, must file the required application and receive approval from the Market Regulation Department prior to exceeding such limits. Notwithstanding the foregoing, a Person who establishes an exemption-eligible position in excess of position limits and files the required application with the Market Regulation Department shall not be in violation of this Rule 532 provided the filing occurs within one (1) Business Day after assuming the position.
- (d) In the event the positions in excess of the limits are not deemed to be exemption-eligible, the applicant will be in violation of speculative limits for the period of time in which the excess positions remained open.
- (e) The Market Regulation Department shall, on the basis of the application and any requested supplemental information, determine whether an exemption from position limits shall be granted. The Market Regulation Department may approve, deny, condition or limit any exemption request based on factors deemed by the Market Regulation Department to be relevant, including, but not limited to, the applicant's business needs and financial status, as well as whether the positions can be established and liquidated in an orderly manner.
- (f) Nothing in this Rule 530 shall in any way limit:
 - (1) the authority of the Exchange to take Emergency action; or

- (2) the authority of the Market Regulation Department to review at any time the positions owned or controlled by any Person and to direct that such position be reduced to the position limit provided for in Rule 532.
- (g) A Person who has received written authorization from the Market Regulation Department for an exemption from position limits must annually file an updated application on the date which is one (1) year following the approval date of the most recent application. Failure to file an updated application will result in expiration of the exemption.
- (h) Eligible Exemptions
 - (1) Bona Fide Hedging Positions.

The Market Regulation Department may grant exemptions from position limits for bona fide hedge positions as defined by CFTC Regulation §1.3(z)(1) or any other applicable CFTC Regulation. Approved bona fide hedgers may be exempted from Emergency Rules that reduce position limits or restrict trading.
 - (2) Risk Management Positions.

The Market Regulation Department may grant exemptions from the position limits for risk management positions. For the purposes of this Rule, risk management positions are defined as Futures and Options positions which are held by or on behalf of an entity or an affiliate of an entity which typically buys, sells or holds positions in the underlying cash market, a related cash market, or a related over-the-counter market and for which the underlying market has a high degree of demonstrated liquidity relative to the size of the positions and where there exist opportunities for arbitrage which provide a close linkage between the Futures or Options market and the underlying market in question. Exemptions related to indexed positions in the over-the-counter market may include corresponding commodity index-based Futures and Options and/or individual commodity Futures and Options used as components in replicating an index.
 - (3) Arbitrage and Spread Positions. The Market Regulation Department may grant exemptions from the position limits for arbitrage, intracommodity spread, intercommodity spread, and eligible Option/Option or Option/Futures spread positions.
- (i) Aggregation of Positions.
 - (1) Positions to be Aggregated. The position limits in Rule 533 shall apply to all positions in accounts for which a Person by power of attorney or otherwise directly or indirectly owns the positions or controls the trading of the positions. The position limits in Rule 533 shall also apply to positions held by two (2) or more Persons acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by, or the trading of the positions was done by, a single Person.
 - (2) Ownership of Accounts. Except as set forth in Rule 530(j) below, any Person holding positions in more than one (1) account, or holding accounts or positions in which the Person by power of attorney or otherwise directly or indirectly has a 10% or greater ownership or equity interest, must aggregate all such accounts or positions, unless such Person is a pool participant in a commodity pool. The foregoing exception for pool participants shall not apply if the Person is a

commodity pool operator, controls the commodity pool's trading decisions, or has an ownership or equity interest of 25% or more in a commodity pool whose operator is exempt from registration with the CFTC.

- (j) Limited Exceptions to Aggregation for Independently Controlled Positions.
 - (1) Positions carried for an eligible entity as defined in CFTC Regulation 150.1 in the separate account or accounts of independent account controllers as defined in CFTC Regulation 150.1 shall not be aggregated for position limit purposes provided that the positions are not held in the spot month during such time that a spot month position limit is applicable. If an independent account controller is affiliated with the eligible entity or another independent account controller, each of the affiliated entities must comply with the requirements set forth in CFTC Regulation 150.3(4)(i)(A-D).
 - (2) Positions held by FCMs or their separately organized Affiliates in Customer discretionary accounts or in guided account programs shall not be aggregated for position limit purposes provided that the accounts are controlled by independent traders and meet the standards set forth in CFTC Regulation 150.4(d).
 - (3) Any Person claiming an exemption from position limits under this Rule 532 must, upon request by the Market Regulation Department, provide any information deemed necessary to support the exemption.
- (k) Violations.
 - (1) No Person shall exceed the position limits set forth in the Rules, unless an exemption is granted by the Market Regulation Department.
 - (2) The Market Regulation Department and the Exchange Practices Committee shall have the authority to enforce the Exchange Rules regarding position limits.
 - (3) If a position exceeds position limits as a result of an Option assignment, the Person who owns or controls such position shall be allowed one (1) Business Day to liquidate the excess position without being considered in violation of the limits. Additionally, if, at the close of trading, a position that includes Options exceeds position limits when evaluated using the delta factors as of that day's close of trading, but does not exceed the limits when evaluated using the previous day's delta factors, then the position shall not constitute a position limit violation.
 - (4) A Clearing Firm shall not be in violation of this Rule if it carries positions for a Customer in excess of the applicable position limits for such reasonable period of time, generally not to exceed one (1) Business Day, as the Clearing Firm may require to investigate and liquidate the excess Customer positions.
 - (5) A Customer who exceeds the position limits as a result of maintaining positions at more than one (1) Clearing Firm shall be deemed to have waived confidentiality regarding their positions and the identity of the Clearing Firms at which they are maintained. A Clearing Firm carrying such positions shall not be in violation of this Rule if, upon notification by the Market Regulation Department, it liquidates its pro-rata share of the position in excess of the limits or otherwise ensures the Customer is in compliance with the limits within a

reasonable period of time, generally not exceed one (1) Business Day.

(6) Violations, Sanctions and Appeals.

- i. First Violation. The first position limit violation by a Participant will result in a warning letter issued by the Market Regulation Department, with a copy provided to the carrying Clearing Firm(s). In circumstances where the carrying Clearing Firm has also committed a position limit violation as set forth in this Rule 530 by carrying such positions, a warning letter will be issued to the Clearing Firm(s).
- ii. Second Violation, Sanctions and Appeals.
 - (a) A second position limit violation by a Participant within twenty four (24) months of the issuance of a warning letter will result in the imposition of an automatic fine by the Market Regulation Department to the Participant as set forth below and the issuance of a cease and desist order.
 - (b) The automatic fine for a position exceeding the applicable limit by up to 25% shall be \$5,000.
 - (c) The automatic fine for a position exceeding the applicable limit by more than 25% shall be \$15,000.
- iii. Referral to the Chief Regulatory Officer.
 - (a) Any third or subsequent position limit violation within twenty four (24) months of the issuance of a warning letter shall be referred by the Market Regulation Department to the Chief Regulatory Officer for consideration of the issuance of charges.
 - (b) Notwithstanding Rule 532(k)(5)(iv)(a), the Market Regulation Department, in its sole discretion, may refer any position limit violation it deems egregious to the Chief Regulatory Officer for consideration of the issuance of charges.
- iv. Appeal. Parties may, within ten (10) Business Days of being provided notice of sanctions issued pursuant to this section, request an appeal to the Exchange Practices Committee.
 - (a) Upon receiving a written request for appeal, the Chair of the Exchange Practices Committee shall determine solely upon the written request for appeal and any written response of the Market Regulation Department, whether there is a reasonable basis to conclude that the appellant might be able to meet one (1) of the standards identified in subsection (b) below that would permit the Exchange Practices Committee to set aside, modify or amend the appealed decision. If the Chair determines that such a reasonable basis exists, a hearing will be held. The Exchange Practices Committee Chair's determination of whether to hold a hearing on an appeal shall be final. If a hearing is held the Chair shall allow the filing of briefs in connection with the appeal.
 - (b) The Exchange Practices Committee shall not set aside, modify or amend the appealed decision unless it determines by a majority

vote that the decision was:

- (i) Arbitrary, capricious, or an abuse of the Market Regulation Department's discretion;
 - (ii) In excess of the Market Regulation Department's authority or jurisdiction; or
 - (iii) Based on a clearly erroneous application or interpretation of Exchange Rules.
- (c) If a hearing is held, the Exchange Practices Committee shall issue a written decision which shall include a statement of findings with respect to the decision from which the appeal was taken and the Exchange Practices Committee's determination that such initial decision is affirmed, set aside, modified or amended in whole or in part and, with respect to any initial decision that is not affirmed in whole, the Exchange Practices Committee's determination of the order or penalty to be imposed, if any, and the effective date. The decision of the Exchange Practices Committee shall be final and may not be appealed.

RULE 531. Position Accountability

- (a) A Participant who holds or controls, or a Participant Firm or Clearing Firm that carries for another Person, aggregate positions in excess of those specified in the Position Accountability column in the Table in Rule 533, shall:
- (1) Provide, in a timely manner upon request by the Market Regulation Department, information regarding the nature of the position, trading strategy, and hedging information, if applicable.
 - (2) Be deemed to have consented, when so ordered by the Exchange, not to further increase the positions which exceed the levels specified in the Position Accountability column in the Table in Rule 533.
 - (3) Initiate and/or liquidate such positions in an orderly manner.
- (b) For purposes of this Rule, all positions in accounts for which a Participant, by power of attorney or otherwise, directly or indirectly controls trading shall be included with the positions held by such Participant. The provisions of this Rule shall apply to positions held by two (2) or more Participants acting pursuant to an expressed or implied agreement or understanding, the same as if the positions were held by or the trading of the positions was controlled by a single Participant.

RULE 532. Reports of Large Positions and Ownership and Control Reporting

- (a) Large Trader Reporting.
- (1) Clearing Firms and/or Participant Firms shall submit to the Exchange a daily report of all positions at or above the Reportable Futures Level as set forth in the Table in Rule 533 ("Large Trader Report").
 - (2) Positions at or above the Reportable Futures Level in a discrete commodity code trigger reportable status. For a person in reportable status in a discrete

commodity code, all positions, regardless of size, in the same discrete commodity code must be reported.

- (3) All Large Trader Reports shall be submitted in a form acceptable to the Market Regulation Department. The Exchange may require that more than one (1) Large Trader Report be submitted daily. The Regulatory Oversight Committee or the Market Regulation Department may require reports from any Clearing Firm or Participant Firm on a lesser number of positions than reflected in the Table in Rule 533.
- (b) Ownership and Control Reporting.
- (1) Clearing Firms and/or Participant Firms must provide the Market Regulation Department with the required CFTC Form 102A and/or Form 102B identifying the owner, any controlling parties and any additional required information for each reportable account. A reportable account for the purposes of this Rule 532(b)(1) is an account at or above the Reportable Futures Level and/or the Volume Threshold Reportable Level as identified in the table in Rule 533.
- (2) The applicable Form 102A and/or Form 102B must be submitted to the Market Regulation Department no later than 9:00 AM Eastern Time on the Business Day following the date on which the account becomes reportable. Additionally, Clearing Firms and/or Participant Firms must submit a revised form reflecting any material changes to the information previously provided to the Market Regulation Department within three (3) Business Days of such changes becoming effective. In the absence of any material changes, the Exchange may require electronic submission of a new Form 102A and/or Form 102B on an annual basis for the maintenance of accurate records.

RULE 533. Position Limit, Position Accountability, Reportable Level, and Volume Threshold Level Table

The reportable levels for all Contracts covering Position Limit, Position Accountability, Reportable Level, and Volume Thresholds will be made available to Market Participants.

RULE 534. The Exchange Trading System Access Restrictions

- (a) All Participants permissioned to connect to the Exchange Trading System, including direct connections of Participants, to the extent permitted by the Exchange, must be guaranteed by a Clearing Firm that assumes financial responsibility for the Participant. With respect to Transactions given up to other Clearing Firms, such guarantee is effective only until such time that the other Clearing Firm accepts the Trade. A Trade given up to another Clearing Firm will be deemed to have been accepted by such Clearing Firm if the Trade is not rejected by the close of business on the Business Day following the Trade date. The acceptance of a Trade by a Clearing Firm shall not relieve any Participant, Authorized Trader, or Clearing Firm of the duty to act in accordance with the Rules.
- (b) All individuals entering Customer Orders other than in a clerical capacity must have appropriate industry registration. Customer Orders may be entered only from the premises of an entity registered to conduct Customer business.
- (c) Clearing Firms shall assist the Exchange in any investigation into potential violations of the Exchange Rules or the CEA which occur through or with respect to an Exchange Trading System connection guaranteed by the Clearing Firm. Such assistance must be timely and may include, but not be limited to, requiring any Participant or Customer to produce documents, to answer questions from the Exchange, and/or to appear in connection with an investigation. Upon request by the Exchange, Clearing Firms shall suspend or terminate a Participant’s or Customer’s access if the Exchange determines that the actions of the Participant or Customer threaten the integrity or liquidity of any Contract or violate any Exchange Rule or the CEA, or if the Customer fails to cooperate in an investigation.
- (d) If a Clearing Firm has actual or constructive notice of a violation of Exchange Rules in connection with the use of the Exchange Trading System by a Participant or Customer for which it has authorized a direct connection and the Clearing Firm fails to take appropriate action within a reasonable length of time, the Clearing Firm may be found to have committed an act detrimental the Exchange.

RULE 535. Identification of Authorized Traders and Authorized Brokers

Each Authorized Trader, Authorized Broker, and Customer (including, if the Customer is an entity, the individual who is authorized to utilize the Exchange on behalf of the Customer) shall be identified to the Exchange by a unique identifier, in the manner prescribed by the Exchange, and shall be subject to Exchange Rules. It is the duty of the Clearing Firm and Participant Firm to ensure that each Authorized Trader, Authorized Boker, or Customer of the firm has been assigned and uses a unique identifier to access the Exchange Trading System. In no event may a Person enter an Order or permit the entry of an Order by an individual using a unique identifier other than the individual’s own unique identifier.

RULE 536. LIMITATION OF LIABILITY, NO WARRANTIES

- (a) EXCEPT AS PROVIDED BELOW, AND EXCEPT IN INSTANCES WHERE A PARTY HAS BEEN FINALLY ADJUDICATED TO HAVE ENGAGED IN WILLFUL OR WANTON MISCONDUCT, IN WHICH CASE THE PARTY FOUND TO HAVE ENGAGED IN SUCH CONDUCT CANNOT AVAIL ITSELF OF THE PROTECTIONS IN THIS RULE 536, NEITHER THE EXCHANGE (INCLUDING ITS SUBSIDIARIES AND AFFILIATES, AND ANY TECHNOLOGY SERVICES PROVIDER AND CONTRACTORS PROVIDING SERVICES TO THE EXCHANGE), NOR ANY OF THEIR RESPECTIVE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, CONSULTANTS, AND LICENSORS (THE “DISCLAIMING PARTY” OR “DISCLAIMING PARTIES”) SHALL BE LIABLE TO ANY PERSON FOR ANY LOSSES, DAMAGES, COSTS OR EXPENSES (INCLUDING, BUT NOT LIMITED TO, LOSS OF PROFITS, LOSS OF USE, AND DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES), ARISING FROM:
- (1) ANY FAILURE, MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION, TERMINATION, OR ANY OTHER EVENT, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE SYSTEMS AND SERVICES OF THE EXCHANGE, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, INCLUDING WITHOUT LIMITATION ELECTRONIC ORDER ENTRY/DELIVERY, TRADING THROUGH ANY ELECTRONIC MEANS, ELECTRONIC COMMUNICATION OF MARKET DATA OR INFORMATION, WORKSTATIONS USED BY PARTICIPANTS AND AUTHORIZED TRADERS, PRICE REPORTING SYSTEMS AND ANY AND ALL TERMINALS, COMMUNICATIONS NETWORKS, CENTRAL COMPUTERS, SOFTWARE, HARDWARE, AND FIRMWARE RELATING THERETO; OR
 - (2) ANY FAILURE OR MALFUNCTION, FAULT IN DELIVERY, DELAY, OMISSION, SUSPENSION, INACCURACY, INTERRUPTION OR TERMINATION, OR ANY OTHER EVENT, OF ANY SYSTEM OR SERVICE OF THE EXCHANGE, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, CAUSED BY ANY THIRD PARTIES INCLUDING, BUT NOT LIMITED TO, INDEPENDENT SOFTWARE VENDORS AND NETWORK PROVIDERS; OR
 - (3) ANY ERRORS OR INACCURACIES IN INFORMATION PROVIDED BY THE EXCHANGE OR ANY OR ANY OF THE EXCHANGE’S SYSTEMS, SERVICES OR FACILITIES; EXCEPT FOR INCORRECT ORDER STATUSING INFORMATION AS PROVIDED IN RULE 539 (DCC); OR
 - (4) ANY UNAUTHORIZED ACCESS TO OR UNAUTHORIZED USE OF ANY OF THE EXCHANGE’S SYSTEMS, SERVICES, EQUIPMENT OR FACILITIES BY ANY PERSON. THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY WHETHER A CLAIM ARISES IN CONTRACT, TORT, NEGLIGENCE, STRICT

LIABILITY, CONTRIBUTION OR OTHERWISE AND WHETHER THE CLAIM IS BROUGHT DIRECTLY OR AS A THIRD PARTY CLAIM. THE FOREGOING LIMITATION OF LIABILITY SHALL BE SUBJECT TO THE CEA AND REGULATIONS THEREUNDER.

- (b) NOTWITHSTANDING SUBSECTION (a), (c), (e), OR (f) OF THIS RULE 536, IN NO EVENT SHALL THE PLATFORM TECHNOLOGY SERVICES PROVIDER BE LIABLE TO ANY PERSON NOR SHALL ANY PERSON BRING ANY LEGAL ACTION (WHETHER IN TORT, NEGLIGENCE, OR BREACH OF CONTRACT) FOR ANY LOSSES, DAMAGES, COSTS OR EXPENSES INCLUDING, BUT NOT LIMITED TO LOSS OF PROFITS, LOSS OF USE, DIRECT, SPECIAL, PUNITIVE, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING FROM THE USE OF THE PLATFORM. THE TERM PLATFORM TECHNOLOGY SERVICES PROVIDER REFERS TO THE SPECIFIC TECHNOLOGY SERVICES PROVIDER PROVIDING SERVICES AT THE INCEPTION OF THE EXCHANGE AS A DESIGNATED CONTRACT MARKET.
- (c) THERE ARE NO EXPRESS OR IMPLIED WARRANTIES OR REPRESENTATIONS (INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR USE) PROVIDED BY THE DISCLAIMING PARTY OR DISCLAIMING PARTIES RELATING TO ANY SYSTEMS OR SERVICES OF THE EXCHANGE OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES, INCLUDING THE EXCHANGE TRADING SYSTEM.
- (d) ANY DISPUTE ARISING OUT OF THE USE OF SYSTEMS OR SERVICES OF THE EXCHANGE OR SERVICES, EQUIPMENT, OR FACILITIES USED TO SUPPORT SUCH SYSTEMS OR SERVICES IN WHICH THE DISCLAIMING PARTY OR DISCLAIMING PARTIES IS A PARTY SHALL BE ARBITRATED PURSUANT TO CHAPTER 8. ANY ARBITRATION SHALL BE BROUGHT WITHIN THE PERIOD PRESCRIBED BY CHAPTER 8. ANY OTHER ACTIONS, SUITS OR PROCEEDINGS AGAINST THE DISCLAIMING PARTY OR DISCLAIMING PARTIES MUST BE BROUGHT WITHIN TWO (2) YEARS FROM THE TIME THAT A CAUSE OF ACTION HAS ACCRUED. THIS PARAGRAPH (d) SHALL IN NO WAY BE CONSTRUED TO LIMIT A PARTY'S OBLIGATION TO ARBITRATE ITS CLAIM OR TO CREATE A CAUSE OF ACTION AND SHALL NOT AUTHORIZE AN ACTION THAT WOULD OTHERWISE BE PROHIBITED BY EXCHANGE RULES. IF, FOR ANY REASON, A COURT OF COMPETENT JURISDICTION FINDS THAT A DISPUTE IS NOT ARBITRABLE, SUCH DISPUTE MAY ONLY BE LITIGATED IN THE COUNTY OF COOK IN THE STATE OF ILLINOIS AND WILL BE GOVERNED BY THE LAWS OF THE STATE OF ILLINOIS WITHOUT REGARD TO ANY PROVISIONS OF ILLINOIS LAW THAT WOULD APPLY THE SUBSTANTIVE LAW OF A DIFFERENT JURISDICTION.

ANY DISPUTED CLAIM PURSUANT TO THIS PARAGRAPH (e) MUST BE ARBITRATED PURSUANT TO CHAPTER 8.

- (g) IN NO EVENT SHALL THE DISCLAIMING PARTY OR DISCLAIMING PARTIES TOTAL COMBINED AGGREGATE LIABILITY FOR ALL CLAIMS ARISING OUT OF ANY FAILURES, MALFUNCTIONS, FAULTS IN DELIVERY, DELAYS, OMISSIONS, SUSPENSIONS, INACCURACIES, INTERRUPTIONS, TERMINATIONS, OR ANY OTHER CAUSES, IN CONNECTION WITH THE FURNISHING, PERFORMANCE, OPERATION, MAINTENANCE, USE OF OR INABILITY TO USE ALL OR ANY PART OF ANY OF THE EXCHANGE'S SYSTEMS OR SERVICES, OR SERVICES, EQUIPMENT OR FACILITIES USED TO SUPPORT SUCH SYSTEMS AND SERVICES, OR THE NEGLIGENCE OF EXCHANGE STAFF EXCEED \$50,000 IN ANY GIVEN CALENDAR YEAR. IF THE NUMBER OF ALLOWED CLAIMS ARISING OUT OF ANY FAILURES OR MALFUNCTIONS ON A SINGLE DAY OR SINGLE MONTH CANNOT BE FULLY SATISFIED BECAUSE OF THE ABOVE DOLLAR LIMITATIONS, ALL SUCH CLAIMS SHALL BE LIMITED TO A PRO RATA SHARE OF THE MAXIMUM AMOUNT FOR THE RESPECTIVE PERIOD. NOTWITHSTANDING ANY OF THE FOREGOING PROVISIONS, THIS RULE 536 WILL IN NO WAY LIMIT THE LIABILITY OF ANY PERSON ARISING FROM ANY VIOLATION BY SUCH PERSON OF THE CEA OR THE COMMISSION REGULATIONS THEREUNDER.

RULE 537. The Derivatives Command Center

- (a) Customer Support.
- (1) The Derivatives Command Center ("DCC") provides the Exchange Trading System customer support and problem management only to Clearing Firms, Participants and Authorized Traders.
 - (2) In order to be eligible for DCC support, such Persons must be identified on a Participant as an authorized contact with the DCC ("Authorized Contacts"). The DCC provides customer support via a specified telephone number and during specified hours.
 - (3) DCC employees may not always be available to assist Authorized Contacts.
 - (4) Persons other than Authorized Contacts must contact their Clearing Firms to make support requests.
- (b) DCC Communications.
- (1) As provided in Rule 537, the Exchange shall not be liable for any loss resulting from any inability to communicate with the DCC.
 - (2) The liability of the Exchange for the negligent acts of DCC staff shall be subject to the limitations and conditions of Rule 537.
 - (3) In no event, however, shall the Exchange be liable for the negligence of the DCC if the Person claiming to have suffered a loss could have secured the support it sought from DCC through its own administrative terminal, its Clearing

- Firm's terminal or an Independent Software Vendor's terminal.
- (4) For purposes of this rule, a Person is deemed able to take action through its own administrative terminal, a Clearing Firm's terminal or an ISV's terminal unless such terminal was inoperative or such terminal service was interrupted at the time the DCC took action.
- (c) Order Status.
- (1) A Person who believes he has received an incorrect Order status or does not receive an appropriate status shall immediately notify the DCC. Additionally, such Person shall take any necessary and appropriate market action to mitigate any potential losses arising from the incorrect Order status or lack of appropriate Order status immediately after the Person knew or should have known that the Order status information was incorrect or should have been received. Any liability of the Exchange for incorrect Order status shall be subject to the limitations and conditions of Rule 537.
 - (2) Notwithstanding the above, the Exchange shall not be liable for losses related to incorrect Order status information if the Exchange provides prior notification that an Exchange system, service or facility may produce such incorrect information and also provides notification of a means to obtain correct Order status information from such system, service or facility. In the event that the DCC and an Exchange system, service or facility provide conflicting information relating to an Order status, a Customer may only reasonably rely on the information received from the DCC. Any liability of the Exchange shall be subject to the liability caps and conditions of Rule 537.

RULE 538. The Exchange Trading System Algorithms

The Exchange Trading System and matching algorithm is designed to provide a fair, transparent, and efficient market for Participants. The Exchange uses a price-time priority matching algorithm for its Central Limit Order Book ("CLOB"), providing fully inclusive, real-time, and accurate market data to all Participants. To match Orders, the Exchange uses an anonymous, FIFO (first in, first out) execution algorithm using the Order's price-time priority. All Orders received are prioritized in accordance with Order's effective limit price. Orders with the same effective limit price are prioritized in accordance with the time they were received by the Exchange Trading System. The first Order received at the Contract's best price level (the highest bid or lowest offer) is the first Order to match with an opposite side Order.

RULE 539. Trade Cancellations and Price Adjustments

- (a) DCC Authority Regarding Trade Cancellations and Price Adjustments.
- (1) The DCC has authority to adjust Trade prices or cancel (bust) trades when such action is necessary to mitigate market disrupting events caused by the improper or erroneous use of the Exchange Trading System or by system defects.
 - (2) Notwithstanding any other provisions of this Rule, the DCC may adjust Trade prices or bust any Trade if the DCC determines that allowing the Trade to stand as executed may have a material, adverse effect on the integrity of the market.
 - (3) All decisions of the DCC shall be final.

- (b) Review of Trades.
- (1) The DCC may determine to review a Trade based on its independent analysis of market activity or upon request for review by a Participant or Customer. A request for review must be made to the DCC via phone within ten (10) minutes of the execution of the Trade.
 - (2) The DCC shall determine whether or not a Trade will be subject to review. In the absence of a timely request for review, during volatile market conditions, upon the release of significant news, or in any other circumstance in which the DCC deems it to be appropriate, the DCC may determine, in its sole discretion, that a Trade shall not be subject to review.
 - (3) Upon deciding to review a Trade, the DCC will promptly issue an alert to all Participants via the Exchange Trading System or electronic mail indicating that the Trade is under review.
- (c) Price Adjustments and Cancellations.
- (1) In reviewing a Trade, the DCC will first determine whether the Trade price is within the non-reviewable range for Futures or within the bid/ask reasonability allowance for options, as described in Rule 539(g). The bid/ask reasonability allowance for an Option is the maximum width of the bid/ask range which will be considered reasonable for use in applying the parameters necessary to establish the non-reviewable range for the Option.
 - (2) In applying the non-reviewable range, the DCC shall determine the fair value market price for that Contract at the time the Trade under review occurred. The DCC may consider any relevant information, including, but not limited to, the last Trade price in the Contract or a better bid or offer price on the Exchange Trading System, a more recent price for a different maturity date, the price of the same or related Contract established in another venue or another market, the market conditions at the time of the Trade, and the theoretical value of an Option based on the most recent implied volatility.
 - (3) Trade Price Inside the Non-Reviewable Range. If the DCC determines that the price of the Trade is inside the non-reviewable range, the DCC will issue an alert indicating that the Trade shall stand.
 - (4) Trade Price Outside the Non-Reviewable Range.
 - i. Futures Contracts
If the DCC determines that a Trade price is outside the non-reviewable range for a Futures Contract, the Trade price shall be adjusted to a price that equals the fair value market price for that Contract at the time the Trade under review occurred, plus or minus the non-reviewable range. If the Trade at issue involves multiple parties, prices and/or Contracts, the DCC has the authority, but not the obligation, to bust or price adjust such Transactions. The DCC will issue an alert regarding its decision.
 - ii. Option Contracts.
If the DCC determines that a Trade price is outside the applicable non-reviewable range for an Option Contract, the Trade price shall be adjusted. In the case of a buy (sell) error, the price will be adjusted to the

determined ask (bid) price set forth in the Bid/ask reasonability allowance in Section G plus (minus) the non-reviewable range. If the Trade in question involves multiple parties, prices and/or Contracts, the DCC has the authority, but not the obligation, to bust or price adjust such Transactions. The DCC will issue an alert regarding its decision.

iii. Busted or adjusted Trades shall be canceled in the Exchange's official record of time and sales. Trades that are price adjusted shall be inserted in the time and sales record at the adjusted Trade price.

(d) Alternative Resolution by Agreement of Parties.

(1) With the approval of the DCC, parties to a Trade that is price adjusted may instead mutually agree to cancel the Trade.

(2) With the approval of the DCC, parties to a Trade that is busted may instead mutually agree to price adjust the Trade to a price consistent with the adjustment provisions of Rule 539(c).

(3) Subject to section (d)(1) and (d)(2), parties to a Trade that is canceled or price adjusted may mutually agree to a cash adjustment provided that such adjustments are reported to the DCC and the parties maintain a record of the adjustment.

(4) An executed Trade may not be reversed via transfer except where such Trade is determined by DCC to be outside of the non-Reviewable Range but not reported timely, subject to agreement of the parties and approval of the DCC. Any such transfer must occur at the original Trade price and quantity; however the parties may mutually agree to a cash adjustment.

(e) Liability for Losses Resulting from Price Adjustments or Cancellations.

(1) A party entering an Order that results in a price adjustment or Trade bust shall be responsible for demonstrated claims of realized losses incurred by persons whose Trade prices were adjusted or busted provided, however, that a claimant shall not be entitled to compensation for losses incurred as a result of the claimant's failure to take reasonable actions to mitigate the loss.

(2) A claim for a loss pursuant to this section must be submitted to the Exchange on an Exchange claim form within one (1) Business Day of the event giving rise to the claim. The Exchange will reject any claim that is not filed in a timely manner and such decisions shall be final. Eligible claims shall be forwarded by the Exchange to the party responsible for the Order(s) that resulted in a Trade bust or a price adjustment and to the Clearing Firm through which the Trade was placed. Such party, or the Clearing Firm on behalf of the party, shall, within ten (10) Business Days of receipt of the claim, admit or deny responsibility in whole or in part. Failure to respond to the claim within ten (10) Business Days shall be considered a denial of liability.

(3) To the extent that liability is admitted, payment shall be made within ten (10) Business Days. Unless otherwise agreed upon in writing by the parties, failure to make the payment within ten (10) Business Days shall be considered a denial of liability for purposes of this rule. A copy of any such written agreement must be provided to the Exchange.

- (4) To the extent that liability is denied, the party making the claim may submit the claim for arbitration pursuant to Chapter 8 of the Rules. Such claims must be submitted to the DCC within ten (10) Business Days of the date the party was issued notification that liability was denied.
- (f) **Schedule of Administrative Fees.**
When DCC busts or price adjusts a Trade, the party responsible for entering the Order into the Exchange Trading System that gave rise to the Trade bust or price adjustment shall pay an administrative fee to the Exchange in the amount of \$500 for each such occurrence.
- (g) Exchange Entity Non-Reviewable Ranges will be made available on the Exchange website, <https://www.coinbase.com/derivatives>.

- (c) Nature of an EDRP
- (1) An EDRP consists of two (2) discrete but related simultaneous transactions. One (1) party to the EDRP must be the buyer of (or the holder of the long market exposure associated with) the related position and the seller of the corresponding Contract. The other party to the EDRP must be the seller of (or the holder of the short market exposure associated with) the related position and the buyer of the corresponding Contract.

- (i) Identification and Submission to the Exchange

Each EDRP transaction shall be designated as such and shall be cleared through the Clearing House. Each such transaction shall be submitted to the Exchange within the time period and in the manner specified by the Exchange. Participant Firms are responsible for exercising due diligence as to the bona fide nature of EDRP transactions submitted on behalf of Customers.

- (b) Such record shall also include an electronic timestamp reflecting the date and time such Order was executed or canceled.

CHAPTER 7: DISCIPLINARY RULES

RULE 701. General

- (a) All Participants shall be subject to the Exchange's jurisdiction. All Participants are subject to this Chapter 7 if they, or with respect to a Participant, any other Person using any of its User IDs, are alleged to have violated, to have aided and abetted a violation, to be violating, or to be about to violate, any Rule of the Exchange or any provision of Applicable Law for which the Exchange possesses disciplinary jurisdiction.
- (b) The Exchange, through the Market Regulation Department and the Disciplinary Panel, as applicable, will conduct preliminary inquiries, investigations, disciplinary proceedings and appeals from disciplinary proceedings, summary impositions of fines, summary suspensions or other summary actions in accordance with this Chapter 7.
- (c) No Exchange Official, Director, or Officer will interfere with or attempt to influence the process or resolution of any preliminary inquiry, investigation, disciplinary proceeding, appeal from a disciplinary proceeding, summary imposition of fines, summary suspension or other summary action (collectively "Disciplinary Action"), except to the extent provided under the Exchange Rules with respect to a proceeding in which the Director is a member of the relevant Appeal Panel.
- (d) Any Participant may be represented by counsel during any Disciplinary Action pursuant to this Chapter 7.
- (e) Participant Liability – Individual and Joint Liability/Controlling Person Liability
 - (1) The Exchange may hold a Participant liable for, and impose sanctions against such Participant, for such Participant's own acts and omissions that constitute a violation as well as for the acts and omissions of each (A) Authorized Trader or Authorized Broker authorized by such Participant, (B) other Supervised Person of such Participant, (C) other Person using a User ID of such Participant or (D) other agent or representative of such Participant, in each case, that constitute a violation as if such violation were that of the Participant.
 - (2) The Exchange may hold an Authorized Trader or Authorized Broker liable for, and impose sanctions against such Authorized Trader or Authorized Broker, for such Authorized Trader's or Authorized Broker's own acts and omissions that constitute a violation as well as or for the acts and omissions of any other agent or representative of such Authorized Trader or Authorized Broker that constitute a violation as if such violation were that of the Authorized Trader or Authorized Broker.
- (f) Ex Parte Communications.
 - (1) A Person subject to a disciplinary proceeding or an appeal from a disciplinary proceeding (and any counsel or representative of such Person) and the Market Regulation Department (and any counsel or representative of the Market Regulation Department) shall not knowingly make or cause to be made an ex parte communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any member of the Disciplinary Panel or the Appeal Panel hearing such proceeding.
 - (2) Members of a Disciplinary Panel or Appeal Panel shall not knowingly make or

cause to be made an ex parte communication relevant to the merits of a disciplinary proceeding or an appeal from a disciplinary proceeding to any Person subject to such proceeding (and any counsel or representative of such Person) and the Market Regulation Department (and any counsel or representative of the Market Regulation Department).

- (3) Any Person who receives, makes or learns of any communication that is prohibited by this rule shall promptly give notice of such communication and any response thereto to the Market Regulation Department and all parties to the proceeding to which the communication relates.
- (4) A Person shall not be deemed to have violated this Rule if the Person refuses an attempted communication concerning the merits of a proceeding as soon as it becomes apparent the communication concerns the merits.

RULE 702. Preliminary Inquiries and Investigations

- (a) The Market Regulation Department will investigate any matter within the Exchange's jurisdiction of which it becomes aware. The Market Regulation Department will commence an investigation upon the receipt of a request from Commission staff or upon the discovery or receipt of information by the Exchange that, in the judgment of the Market Regulation Department, indicates a possible basis for finding that a violation has occurred or will occur. The Market Regulation Department will determine the nature and scope of its preliminary inquiries and investigations in its sole discretion and will function independently of any commercial interests of the Exchange. For the avoidance of doubt, a preliminary inquiry serves to clarify or seek answers to questions while an investigation is a formal Exchange process, outlined below.
- (b) The Market Regulation Department has the authority to:
 - (1) initiate and conduct preliminary inquiries and investigations;
 - (2) prepare Investigative Reports and make recommendations concerning initiating disciplinary proceedings;
 - (3) prosecute alleged violations within the Exchange's disciplinary jurisdiction; and
 - (4) represent the Exchange on appeal from any disciplinary proceeding, summary imposition of fines, summary suspension or other summary action.
- (c) Each Participant:
 - (1) is obligated to appear and testify and respond in writing to interrogatories within the time period required by the Market Regulation Department in connection with:
 - i. any Exchange Rule;
 - ii. any preliminary inquiry or investigation; or
 - iii. any preparation by and presentation during a Disciplinary Action;
 - (2) is obligated to produce books, records, papers, documents or other tangible evidence in its, his or her possession, custody or control within the time period required by the Market Regulation Department in connection with:
 - i. any Exchange Rule;
 - ii. any preliminary inquiry or investigation; or
 - iii. any preparation by and presentation during a Disciplinary Action; and

- (3) may not impede or delay any Disciplinary Action.

RULE 703. Reports of Preliminary Inquiries and Investigations

- (a) The Market Regulation Department will maintain a log of all preliminary inquiries and investigations and their disposition. The Market Regulation Department will prepare a written report of each investigation, regardless of whether the evidence gathered during any preliminary inquiry or investigation forms a reasonable basis to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur or whether the evidence gathered results in closing the matter without further action or through summary action.
- (b) Any written report of investigation ("Investigative Report") will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, Market Regulation Department staff's analysis and conclusions, the Participant's disciplinary history at the Exchange, and the recommendation of the Market Regulation Department. For each potential respondent, the Market Regulation Department will recommend either:
 - (1) closing the investigation without further action;
 - (2) settlement;
 - (3) summary action;
 - (4) the preparation and service of a notice of charges for instituting a disciplinary proceeding; or
 - (5) resolving the investigation through an informal disposition, including the issuance of a warning letter. An informal disposition (including the issuance of a warning letter) will not constitute a finding of a violation or a sanction, however, the investigative report must include a copy of any warning letter and no more than one (1) warning letter for the same potential violation may be issued to the same Participant during a rolling twelve (12) month period.
- (c) The Investigative Report will be provided to the Chief Regulatory Officer for a determination as to whether the Investigative Report is complete. The Chief Regulatory Officer will then provide the completed Investigative Report to the Review Panel of the Disciplinary Panel.

RULE 704. Opportunity to Respond

- (a) After completing its Investigative Report, the Market Regulation Department may, upon approval of the Chief Regulatory Officer, notify each potential respondent that the Market Regulation Department has recommended formal disciplinary charges against the potential respondent.
- (b) The Market Regulation Department may allow a potential respondent to propose a settlement of the matter or to submit a written statement explaining why a disciplinary proceeding should not be instituted or one (1) or more of the potential charges should not be brought. The potential respondent shall submit such written statement within the time limit established by the Market Regulation Department.
- (c) If the respondent has requested a hearing, a copy of the hearing must be made and must become a part of the record of the proceeding. The record must be one that is

capable of being accurately transcribed; however, it need not be transcribed unless the transcript is requested by Commission staff or the respondent, the decision is appealed pursuant to the rules of the designated contract market, or is reviewed by the Commission pursuant to section 8c of the Act or part 9 of this chapter. In all other instances a summary record of a hearing is permitted.

RULE 705. Review of Investigative Reports

- (a) Review of Investigative Reports by the Chief Regulatory Officer
 - (1) Within thirty (30) days of the receipt of a completed Investigative Report, the Chief Regulatory Officer will review the completed Investigative Report to determine whether a reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur.
 - (2) If the Chief Regulatory Officer determines that additional investigation or evidence is needed to decide whether a reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur, the Chief Regulatory Officer will direct the Market Regulation Department to conduct further investigation.
 - (3) Upon receiving the completed Investigative Report or after receiving additional information upon the completion of an investigation, the Chief Regulatory Officer will determine for each potential respondent whether to authorize:
 - i. the informal disposition of the investigation (by issuing a warning letter or otherwise) because disciplinary proceedings are unwarranted in which case the Chief Regulatory Officer shall provide a written explanation;
 - ii. the closing of the investigation without any action because no reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur in which case the Chief Regulatory Officer shall provide a written explanation; or
 - iii. the commencement of disciplinary proceedings because a reasonable basis exists to believe that a violation within the Exchange's jurisdiction has occurred or is about to occur.
- (b) Review of Investigative Reports by the Review Panel of the Disciplinary Panel.
 - (1) After receiving a completed Investigation Report pursuant to Rule 703, a Review Panel must promptly review the report and, within thirty (30) days of such receipt, must take one (1) of the following actions:
 - i. If the Review Panel determines that additional investigation or evidence is needed, it must promptly direct the Market Regulation Department to conduct further investigation;
 - ii. If the Review Panel determines that no reasonable basis exists for finding a violation or that prosecution is otherwise unwarranted, it may direct that no further action be taken. Such determination must be in writing, and must include a written statement setting forth the facts and analysis supporting the decision and the Chief Regulatory Officer shall provide the written statement; or
 - iii. If the Review Panel determines that a reasonable basis exists for finding

a violation and adjudication is warranted, it must direct that the person or entity alleged to have committed the violation be served with a notice of charges and proceed in accordance with Chapter 7.

- (2) A failure of the Disciplinary Panel to act within the time prescribed in Rule 705(b) shall not prevent the Chief Regulatory Officer from acting pursuant to Rule 705(a). The Chief Regulatory Officer shall inform the Regulatory Oversight Committee of any such failure of the Disciplinary Panel to act.
- (3) Any conflict between the actions of the Chief Regulatory Officer pursuant to Rule 705(a) and the Disciplinary Panel pursuant to Rule 705(b) shall be resolved by the Regulatory Oversight Committee.

RULE 706. Notice of Charges

- (a) If the Chief Regulatory Officer or Review Panel authorizes disciplinary proceedings pursuant to Rule 705(a)(3)(iii) or 705(b)(1)(iii), the Market Regulation Department will prepare, and serve in accordance with Rule 708, a notice of charges.
- (b) A notice of charges will:
 - (1) state the acts, practices or conduct that the respondent is alleged to have engaged in;
 - (2) state the Exchange Rule or provision of Applicable Law alleged to have been violated or about to be violated;
 - (3) state the proposed sanctions;
 - (4) advise the respondent of its right to a hearing;
 - (5) advise the respondent that he or she has the right to be represented by legal counsel or any other representative of its choosing in all succeeding stages of the disciplinary process; provided, however, that the respondent may not be represented by any member of the Exchange's Board or Disciplinary Panel, any employee of the Exchange, or any person substantially related to the underlying investigations, such as material witness or other respondents;
 - (6) state the period of time within which the respondent can request a hearing on the notice of charges, which will not be less than twenty (20) days after service of the notice of charges;
 - (7) advise the respondent that any failure to request a hearing within the period stated, except for good cause, will be deemed to constitute a waiver of the right to a hearing; and
 - (8) advise the respondent that any allegation in the notice of charges that is not expressly denied will be deemed to be admitted.

RULE 707. Answer to Notice of Charges

- (a) If the respondent determines to answer a notice of charges, the respondent must file answers within twenty (20) days after being served with such notice, or within such other time period determined by the Chief Regulatory Officer.
- (b) To answer a notice of charges, the respondent must, in writing, :
 - (1) specify the allegations that the respondent denies or admits;
 - (2) specify the allegations that the respondent does not have sufficient information

- to either deny or admit;
 - (3) specify any specific facts that contradict the notice of charges;
 - (4) specify any affirmative defenses to the notice of charges; and
 - (5) sign and serve the answer on the Chief Regulatory Officer.
- (c) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one (1) or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b) above.

RULE 708. Service of Notice of Charges

- (a) Any notice of charges or other documents to be served pursuant to this Chapter 7 may be served upon the respondent and service shall be deemed complete either personally or by leaving the same at his or her place of business; by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of the Exchange.
- (b) Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served upon the respondent and service shall be deemed complete via electronic mail to the electronic mail address as it appears on the books and records of the Exchange.

RULE 709. Settlements

- (a) A respondent or potential respondent may, at any time, propose in writing an offer of settlement related to anticipated or instituted disciplinary proceedings.
- (b) Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Market Regulation Department.
- (c) A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of the Exchange over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.
- (d) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Market Regulation Department will forward the offer to the Chief Regulatory Officer with a recommendation on whether to accept or reject the offer. Any preliminary determination by the Chief Regulatory Officer to accept the offer shall be submitted for review by the Disciplinary Panel. If the Disciplinary Panel agrees, then the Chief Regulatory Officer shall conditionally accept an offer of settlement, and that the settlement will become final upon the expiration of twenty (20) days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.
- (e) If an offer of settlement is accepted by the Disciplinary Panel, the panel accepting the

offer must issue a written decision specifying the rule violations it has reason to believe were committed, including the basis or reasons for the panel's conclusions, and any sanction to be imposed, which must include full Customer restitution where Customer harm is demonstrated. If an offer of settlement is accepted without the agreement of the Market Regulation Department or Chief Regulatory Officer, the decision must adequately support the Hearing Panel's acceptance of the settlement. If applicable, the decision must also include a statement that the respondent has accepted the sanctions imposed without either admitting or denying the Rule violations.

- (f) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review, and appeal under the Exchange Rules.
- (g) If the offer of settlement of a respondent or potential respondent is not accepted by agreement between the Chief Regulatory Officer and the Disciplinary Panel, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Market Regulation Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

RULE 710. Disciplinary Panel

- (a) The Disciplinary Panel shall function as a Review Panel and Hearing Panel.
 - (1) The Review Panel shall review completed Investigative Reports in order to determine whether a reasonable basis exists for finding a violation of the Exchange's rules and for authorizing the issuance of notices of charges against persons.

- (b) The Board shall appoint individuals at the recommendation of the Chief Regulatory Officer to serve for a term of one (1) year, subject to reappointment by the Board, as potential participants on the Disciplinary Panels. The term of an individual that has been selected as a member of a Disciplinary Panel will not expire until the related proceedings are completed. Exchange staff are prohibited from serving on a Disciplinary Panel.
- (c) The chair of any Review Panel or Hearing Panel shall be a Public Individual.
- (d) The Chief Regulatory Officer shall select a separate Review Panel and Hearing Panel prior to the commencement of each investigative or disciplinary matter by randomly selecting at least one (1) Public Individual and the remaining individuals from the industry participant pools so that any group or class of industry participants is precluded

- from dominating or exercising disproportionate influence on the Disciplinary Panel being formed.
- (e) If an individual selected is an Interested Person or if a member of the Disciplinary Panel later becomes an Interested Person, a replacement for such individual shall be randomly selected by the Chief Regulatory Officer. Individuals are prohibited from participating as a member of a Disciplinary Panel if such individual participated on a prior Disciplinary Panel proceeding in the same matter.
 - (f) Within ten (10) days of being notified of the appointment of the Disciplinary Panel, a respondent may seek to disqualify any individual named to the Disciplinary Panel for the reasons identified in Rule 213 or for any other reasonable grounds, including that such individual has a financial interest in the matter or that such individual participated on a prior Disciplinary Panel or Appeal Panel proceeding in the same matter, by serving written notice on the Chief Regulatory Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The Chief Regulatory Officer of the Exchange will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.
 - (g) No Person shall serve on a Disciplinary Panel unless that Person has agreed in writing that he or she will not publish, divulge, or make known in any manner, any facts or information regarding the business of any Person or any other information which may come to their attention in their official capacity as a member of the Disciplinary Panel, except when reporting to the Board, a committee or the Market Regulation Department concerned with such information, when requested by the CFTC or other governmental agency, or when compelled to testify in any judicial or administrative proceeding.
 - (h) All information, records, materials and documents provided to the Disciplinary Panel and all deliberations, testimony, information, records, materials and documents related thereto shall be treated as non-public, confidential, and shall not be disclosed, except as necessary to further an Exchange investigation or as required by law.
 - (i) The Disciplinary Panel must not include any members of the Exchange's Market Regulation Department or any person involved in adjudicating any other stage of the same proceeding.

RULE 711. Convening Hearings of Disciplinary Proceedings

- (a) A hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Hearing Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.
- (b) After reasonable notice to each respondent, the Hearing Panel will promptly convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Market Regulation Department.
- (c) The chair of the Hearing Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chair of the Hearing Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any

evidence proffered. In determining procedural and evidentiary matters, the chair of the Hearing Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Hearing Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. The Chief Regulatory Officer of the Exchange, or their designee, will provide guidance to the chair of the Hearing Panel on the conduct of the hearing.

- (d) Except for procedural and evidentiary matters decided by the chair of the Hearing Panel pursuant to paragraph (c) above and Rule 712, unless each respondent otherwise consents, the entire Hearing Panel must be present during the entire hearing and any related deliberations.

RULE 712. Respondent Review of Evidence

- (a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of the Exchange that the Market Regulation Department will use to support the allegations and proposed sanctions in the notice of charges or which the chair of the Hearing Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and the Exchange will have no obligation to disclose, any information protected by attorney- client privilege.
- (b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Market Regulation Department, the Market Regulation Department may redact, edit or code such information before furnishing it to the respondent.
- (c) Notwithstanding anything in paragraph (b) above to the contrary, the Market Regulation Department:
 - (1) will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
 - (2) will provide the respondent with access to the information and portions of the documents that the Market Regulation Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.
- (d) For purposes of this Rule 712, information that could adversely affect competitive positions include positions in Contracts currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized Trader and the personal finances of the Person providing the information.

RULE 713. Conducting Hearings of Disciplinary Proceedings

- (a) At a hearing conducted in connection with any disciplinary proceedings, the Market Regulation Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Hearing Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 707, the respondent is

- entitled to attend and participate in the hearing.
- (b) At a hearing conducted in connection with any disciplinary proceedings, the Hearing Panel or the Market Regulation Department and each respondent may:
 - (1) present evidence and facts determined relevant and admissible by the chair of the Hearing Panel;
 - (2) appear personally at the hearing;
 - (3) call and examine witnesses; and
 - (4) cross-examine witnesses called by other parties.
 - (c) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chair of the Hearing Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Hearing Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Hearing Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Hearing Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 707.
 - (d) Any Person entitled, required or called upon to attend a hearing before a Hearing Panel pursuant to paragraph (b)(3) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. All Participants (that are individuals), Authorized Traders and other Supervised Persons that are called as witnesses are required to appear at the hearing and, where applicable, produce evidence. The Exchange will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant, specifically the Exchange requires persons within its jurisdiction, who are called as witnesses, to participate in the hearing and to produce evidence.
 - (e) If, during any disciplinary proceedings, the Hearing Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule of the Exchange or a provision of Applicable Law other than the violations alleged in the notice of charges, the Hearing Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 707. In connection with considering apparent violations pursuant to this paragraph (e), the Hearing Panel may request that the Market Regulation Department provide the Hearing Panel with any additional information related to the violations at issue.
 - (f) The Hearing Panel may summarily impose sanctions on any Participant, Authorized Trader or other Supervised Person that impedes or delays the progress of a hearing.
 - (g) The Exchange will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chair of the Hearing Panel may, within his or her sole discretion, require the respondent to pay the costs for transcribing the recording of the

- hearing.
- (h) No interlocutory appeals of rulings of any Hearing Panel or chair of the Hearing Panel are permitted.

RULE 714. Decision of Hearing Panel

- (a) As promptly as reasonable following a hearing, the Hearing Panel will issue a written order rendering its decision based on the weight of the evidence contained in the record of the disciplinary proceedings. A decision by a majority of the Hearing Panel will constitute the decision of the Hearing Panel.
- (b) The Exchange will serve a copy of the order of the disciplinary proceedings on the respondent and the Market Regulation Department. The order will include:
 - (1) the notice of charges or summary of the allegations;
 - (2) the answer, if any, or a summary of the answer;
 - (3) a brief summary of the evidence introduced at the hearing or, where appropriate, incorporation by reference of the Investigative Report;
 - (4) findings of fact and conclusions concerning each allegation, including a complete explanation of the evidentiary and other basis for such findings and conclusions with respect to each allegation;
 - (5) each specific Rule of the Exchange and provision of Applicable Law that the respondent is found to have violated;
 - (6) the imposition of sanctions, if any, including the basis for such sanctions and the effective date of each sanction; and
 - (7) notice of the respondent's right to appeal pursuant to Rule 716.
- (c) Unless a timely notice of appeal is filed pursuant to Rule 716, the order of the disciplinary proceedings will become final upon the expiration of twenty (20) days after the order is served on the respondent and provided to the Market Regulation Department.

RULE 715. Sanctions

- (a) After notice and opportunity for hearing in accordance with the Exchange Rules, the Exchange will impose sanctions if any Participant, Authorized Trader, other Supervised Person or other Person using any of the Participant's User IDs is found to have violated or to have attempted to violate a Rule of the Exchange or provision of Applicable Law for which the Exchange possesses disciplinary jurisdiction. All sanctions must take into account the respondent's disciplinary history. All sanctions imposed by the Exchange or the Disciplinary Panels must be commensurate with the violations committed and must be clearly sufficient to deter recidivism or similar violations by other Participants. In the event of demonstrated Customer harm, any sanction must also include full Customer restitution.
- (b) The Exchange may impose one (1) or more of the following sanctions or remedies:
 - (1) a warning letter, provided, however, no more than one (1) warning letter may be issued per rolling twelve (12) month period for the same violation;
 - (2) censure;
 - (3) limitation on Trading Privileges, ability to otherwise access the Exchange

- (4) Trading System, and/or other activities, functions or operations;
 - (4) suspension of Trading Privileges and/or ability to otherwise access the Exchange Trading System;
 - (5) fine (subject to paragraph (c) below);
 - (6) restitution or disgorgement;
 - (7) termination of Trading Privileges and/or ability to otherwise access the Exchange Trading System; and/or
 - (8) any other sanction or remedy deemed to be appropriate.
- (c) The Exchange may impose a fine of up to \$1,000,000 for each violation of a Rule of the Exchange or a provision of Applicable Law. If a fine or other amount is not paid within thirty (30) days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent (3%). The Exchange has sole discretion to select the bank on whose quotations to base the prime rate. The Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any of its Authorized Traders or Supervised Persons.

RULE 716. Appeal from Hearing Panel Decision, Summary Impositions of Fines and Other Summary Actions

- (a) A respondent found by the Hearing Panel to have violated (or, in the case of a Participant, whose Authorized Trader, Supervised Person or other Person using its User ID was found to have violated) a Rule of the Exchange or a provision of Applicable Law or who is subject to any summary fine imposed pursuant to Rule 717 or any summary action imposed pursuant to Rule 718 may appeal the decision within twenty (20) days of receiving the order of the disciplinary proceedings or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Regulatory Officer. While an appeal is pending, the effect of the order of disciplinary proceedings or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended, except as provided in Rule 718 (a) with respect to any denial or limit on Trading Privileges or ability to otherwise access the Exchange Trading System.
- (b) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the respondent objects. A respondent may appeal the order of disciplinary proceedings or any summary decision on the grounds that:
- (1) the order or decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Exchange Rules;
 - (2) the order or decision exceeded the authority or jurisdiction of the Hearing Panel, the Chief Regulatory Officer or the Exchange;
 - (3) the order or decision failed to observe required procedures;
 - (4) the order or decision was unsupported by the facts or evidence; or
 - (5) the imposed sanctions, remedies or costs are inappropriate or unsupported by the record.
- (c) The Chief Regulatory Officer will forward copies of any notice of appeal received to all parties of the disciplinary proceeding or summary action, as the case may be, except

the appellant. On or before twenty (20) days after filing a notice of appeal, the appellant must file with the Chief Regulatory Officer, and serve on the Market Regulation Department, a brief supporting the notice of appeal and documents supporting the brief. On or before twenty (20) days after the date on which the appellant serves supporting brief, the appellee must file and serve its brief in opposition with the Market Regulation Department. On or before ten (10) days after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply with the Market Regulation Department.

- (d) In connection with any appeal, the Market Regulation Department will furnish to the Chief Regulatory Officer and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal, and briefs filed to support and oppose the appeal.
- (e) Within thirty (30) days after the last submission filed pursuant to paragraph (c) above, the Board will appoint an Appeal Panel to consider and determine the appeal. The Board shall appoint individuals at the recommendation of the Chief Regulatory Officer to serve on the Appeal Panel for a term of one (1) year, subject to reappointment by the Board, as potential participants on Appeal Panels. The Chief Regulatory Officer's recommendation shall include Public Individuals. The term of an individual that has been selected as a member of an Appeal Panel will not expire until the related proceedings are completed. Individuals are prohibited from participating as a member of an Appeal Panel if such individual participated on a prior Disciplinary Panel or Appeal Panel proceeding in the same matter. Exchange staff are prohibited from serving on an Appeal Panel.
- (f) The chair of the Appeal Panel shall be a Public Individual.
- (g) Within ten (10) days of being notified of the appointment of the Appeal Panel, an appellant may seek to disqualify any individual named to the Appeal Panel for the reasons identified in Rule 213 or for any other reasonable grounds, including, but not limited that such individual participated on a prior Disciplinary Panel or Appeal Panel proceeding in the same matter, by serving written notice on the Chief Regulatory Officer. By not timely filing a request for disqualification, the appellant will be deemed to have waived any objection to the composition of an Appeal Panel. The Chief Regulatory Officer of the Exchange will decide the merits of any request for disqualification within his or her sole discretion.
- (h) The Appeal Panel will hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially. Notwithstanding the confidentiality of hearings, the Appeal Panel may appoint an expert to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeal Panel will not be bound by evidentiary or procedural rules or law.
- (i) The Appeal Panel will only consider on appeal the record before the Hearing Panel or, in the case of a summary action, the record considered by the Chief Regulatory Officer, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeal Panel may only consider new evidence when the Appeals Panel determines that good cause exists as to why the evidence was not

- introduced during the disciplinary proceeding or when imposing the summary action.
- (j) After completing its review, the Appeal Panel may affirm, modify or reverse any order of the disciplinary proceedings or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Exchange Rules, remanding the matter to the same or a different Hearing Panel for further disciplinary proceedings, or ordering a new hearing.
 - (k) As promptly as reasonably possible following its review, the Appeal Panel will issue a written decision based on the weight of the evidence before the Appeal Panel. The decision of the Appeal Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Rule of the Exchange and provision of Applicable Law that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.
 - (l) The Appeal Panel's written order will be the final action of the Exchange and will not be subject to appeal within the Exchange.

RULE 717. Summary Imposition of Fines

- (a) The Chief Regulatory Officer may summarily impose a fine against a Participant (on behalf of itself or any of its Authorized Traders, other Supervised Persons or other Persons using any of its User IDs) or Authorized Trader for failing:
 - (1) to make timely payments of original or variation margin, Options premiums, fees, costs, charges or fines to the Exchange or the Clearing House;
 - (2) to make timely and accurate submissions to the Exchange of notices, reports or other information required by the Exchange Rules; and
 - (3) to keep any books and records required by the Exchange Rules.
- (b) The Market Regulation Department, acting on behalf of the Chief Regulatory Officer, will give notice of any fine imposed pursuant to this Rule 717 to each Participant or Authorized Trader subject thereto. The notice will specify:
 - (1) the violations of the Exchange Rules for which the fine is being imposed;
 - (2) the date of the violation for which the fine is being imposed; and
 - (3) the amount of the fine.

Within twenty (20) days of serving the notice of fine, the Participant or Authorized Trader, as the case may be, must either pay or cause the payment of the fine or file notice of an appeal pursuant to Rule 716. Unless timely notice of appeal is filed pursuant to Rule 716, the fine will become final upon the expiration of twenty (20) days after the notice of fine is served on the Participant or Authorized Trader, as the case may be.
- (c) The Exchange will set the amount of any fines imposed pursuant to this Rule 717, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 717 will not preclude the Exchange from bringing any other action against the Participant (or any of its Authorized Traders or other Supervised Persons) or Authorized Trader, as the case may be.

RULE 718. Summary Suspensions and Other Summary Actions

- (a) Notwithstanding anything in the Exchange Rules to the contrary, the Chief Regulatory Officer may, after consultation with the Regulatory Oversight Committee, if practicable, summarily suspend, revoke, limit, condition, restrict or qualify a Participant's Trading Privileges and/or ability to otherwise access the Exchange Trading System, and may take other summary action against any Participant or any of its Authorized Traders or Supervised Persons in accordance with the Exchange Rules; provided, however, that the Chief Regulatory Officer must reasonably believe that the business, conduct or activities of the Participant or any of its Authorized Traders or Supervised Person in question is not in the best interests of the Exchange or the marketplace, including based on any of the following:
- (1) statutory disqualification from registration as provided in CEA Section 8a(2) or (3);
 - (2) nonpayment of fees, costs, charges, fines or arbitration awards; or
 - (3) the reasonable belief that immediate action is necessary to protect the public or the best interests of the Exchange.
- Should the Chief Regulatory Officer be unavailable or unable to take summary action against a Participant, then the Chief Regulatory Officer designee, after consultation with the Regulatory Oversight Committee and Exchange Officers and after notification to the Chief Regulatory Officer, is authorized to take such summary action.
- (b) Whenever practicable, the Exchange shall provide prior written notice to the party against whom any action in accordance with paragraph (a) shall be taken. If prior notice is not practicable, the Exchange will give notice at the earliest possible opportunity to the respondent against whom the action is brought.
- (c) Unless timely notice of appeal is filed pursuant to Rule 716, the summary action will become final upon the expiration of twenty (20) days after the notice of action is served on the respondent.
- (d) At the request of the Exchange, a respondent against whom a summary action is brought pursuant to this Rule 718 must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, the Exchange in connection with the enforcement of any Rule of the Exchange.
- (e) A respondent whose Trading Privileges and/or ability to otherwise access the Exchange Trading System are suspended, revoked, limited, conditioned, restricted or qualified pursuant to this Rule 718 may apply for reinstatement by filing with the Market Regulation Department a written request stating the applicant's reasons for seeking reinstatement. The Exchange will not consider a respondent's request for reinstatement if the respondent (i) owes any fines, fees, charges or costs to the Exchange; (ii) continues to fail to appear at disciplinary proceedings without good cause; or (iii) continues to impede the progress of disciplinary proceedings.
- (f) Within a reasonable period after the filing of a request for reinstatement, the Appeals Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his or her case supporting the reinstatement and the Market Regulation Department, acting on behalf of the Chief Regulatory Officer may, in its discretion, present its case opposing or supporting the reinstatement and each may present evidence and facts and call, examine and cross-examine witnesses. At the

hearing for reinstatement, the Exchange may require any Participant, Authorized Trader or other Supervised Person to appear as witnesses and produce evidence if the Appeals Panel determines that the evidence is relevant.

- (g) As promptly as reasonably possible after a reinstatement hearing, the Appeals Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the Trading Privileges and/or ability to otherwise access the Exchange Trading System of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the notice of summary action issued pursuant to Rule 714(b) above. The Appeals Panel's order may not be appealed.

RULE 719. Rights and Responsibilities after Suspension or Termination

- (a) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access the Exchange Trading System are suspended for a period of twelve (12) months or less, none of its rights (including the right to hold oneself out to the public as a Participant or Authorized Trader, enter Orders into the Exchange Trading System and receive Participant rates for fees, costs, and charges and deposit margin at Participant levels) will apply during the period of the suspension, except for the right of the Participant or Authorized Trader in question to assert claims against others as provided in the Exchange Rules. Any such suspension will not affect the rights of creditors under the Exchange Rules or relieve the Participant or Authorized Trader in question of its, his or her obligations under the Exchange Rules to perform any Contracts entered into before the suspension, or for any Exchange fees, costs, or charges incurred during the suspension. The Exchange may discipline a suspended Participant or Authorized Trader under this Chapter 7 for any violation of a Rule of the Exchange or provision of Applicable Law committed by the Participant or Authorized Trader before, during or after the suspension.
- (b) When a Participant's or Authorized Trader's Trading Privileges and/or ability to otherwise access the Exchange Trading System are terminated, all of its related rights will terminate, except for the right of the Participant or Authorized Trader in question to assert claims against others, as provided in the Exchange Rules. Any such termination will not affect the rights of creditors under the Exchange Rules. A terminated Participant or Authorized Trader may only seek to be reinstated by applying for Trading Privileges pursuant to Rule 302.
- (c) The Exchange will not consider the application of a terminated Participant or Authorized Trader if such Participant or Authorized Trader, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.
- (d) A suspended or terminated Participant or Authorized Trader remains subject to the Exchange Rules and the jurisdiction of the Exchange for acts and omissions prior to the suspension or termination, and must cooperate in any preliminary inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Participant or Authorized Trader still had Trading Privileges or ability to otherwise access the Exchange Trading

System.

- (e) In the event of the suspension or revocation of a Participant's Trading Privileges and/or ability to otherwise access the Exchange Trading System, the Exchange shall seek to facilitate the transfer of any Customer Accounts held by such Participant to other Participants with Trading Privileges and/or ability to otherwise access the Exchange Trading System.

RULE 720. Notice to the Respondent and the Public

The Exchange will provide written notice of disciplinary proceedings to the parties consistent with applicable CFTC Regulations. Whenever the Exchange suspends, expels, fines or otherwise disciplines, or denies any Person access to the Exchange, the Exchange will make the public disclosures required by CFTC Regulations.

CHAPTER 8: ARBITRATION RULES

RULE 801. Disputes Subject to Arbitration

- (a) Mandatory Arbitration of Disputes Among Participants.
- (1) It is contrary to the objectives and policy of the Exchange for Participants to litigate Exchange-related disputes. Participants must arbitrate all disputes between or among themselves that relate to or arise out of any Transaction on or subject to the Exchange Rules that are based upon facts and circumstances that occurred at a time when the parties were Participants, through the National Futures Association Arbitration Program. Such arbitration shall be conducted pursuant to the Rules and the rules of the National Futures Association Arbitration Program. RULE 906. Daily and Final Settlement Prices

The Exchange will determine the Daily and Final Settlement Price for Contracts. For each Contract, the Exchange shall publish a Daily Settlement Price, and on the Contract's expiration, a Final Settlement Price, and information regarding volume, open interest and opening and closing ranges. Any settlement value shall be determined by the Exchange in accordance with its procedure except where the Clearing House believes that such settlement value does not

reasonably reflect the value or price of the Contract, in which case the Clearing House will determine the settlement value in accordance with the Clearing House Rules. All Contracts are cash settled at expiration.

(a) Definitions of the lead and non-lead month. The lead month is the Contract nearest to expiration for a particular Exchange product. The lead month is the anchor leg for settlements with the expectation of having the most activity. All other Contracts not the lead month are the non-lead month.

(b) Daily Settlement Price

(i) For all Exchange energy Futures Contracts, the following applies, unless otherwise indicated.

(1) Lead Month

- a) If a Trade occurs in the sixty (60) seconds prior to 1:30 PM CT, the Daily Settlement will be calculated using the VWAP of such Trades, rounded to the nearest tradable tick.
- b) If there are no Trades during this time, the Exchange will use the TWAP of the Futures Contract's midpoint of the bid/ask from the sixty (60) seconds prior to 1:30 PM CT, rounded to the nearest tradable tick.
- c) If a two-sided market is not available, the last Traded price of the current trade day will be used.
- d) If there are not any Trades for that day, market data made publicly available on other CFTC-registered designated contract markets.
- e) If there is not any publicly available market data, the Contract will use the prior day's settlement price.

(2) Non-Lead Month

- a) If a Trade occurs in the sixty (60) seconds prior to 1:30 PM CT, the Daily Settlement will be calculated using the VWAP of such Trades, rounded to the nearest tradable tick.
- b) If there are no Trades during this time, but the spread trades between 1:29 PM - 1:30 PM CT, then the spread VWAP is calculated, rounded to the spread's nearest tradable tick, and then applied to the lead month's settlement to derive the Future Contract's Daily Settlement Price.
- c) In the absence of this, the Exchange will use the TWAP of the Futures Contract's midpoint of the bid/ask from the sixty (60) seconds prior to 1:30 PM CT, rounded to the nearest tradable tick.
- d) If a two-sided market is not available during this time, the last spread Trade price is applied to the lead month settlement to derive the Daily Settlement Price.
- e) If this can not be calculated, the Exchange will use the lead month's Settlement Price +/- the previous day's calendar spread.

(ii) For all Exchange Futures Contracts based on cryptocurrency, the following applies, unless otherwise indicated.

(1) Lead Month

- a) If a Trade occurs in the sixty (60) seconds prior to 3:00 PM CT, the Daily Settlement will be calculated using the VWAP of such Trades, rounded to the nearest tradable tick.
- b) If there are no Trades during this time, the Exchange will use the TWAP of the Futures Contract's midpoint of the bid/ask from the sixty (60) seconds prior to 3:00 PM CT, rounded to the nearest tradable tick.
- c) If a two-sided market is not available during the sixty (60) seconds prior to 3:00 PM CT, the Daily Settlement Price will be the Index value - (difference between the previous day's Index value and the previous day's relevant Futures Contract's Settlement Price).

(2) Non-Lead Month

- a) If a Trade occurs in the sixty (60) seconds prior to 3:00 PM CT, the Daily Settlement will be calculated using the VWAP of such Trades, rounded to the nearest tradable tick.
- b) If there are no Trades during this time, but the spread trades between 2:59 PM - 3:00 PM CT, then the spread VWAP is calculated, rounded to the spread's nearest tradable tick, and then applied to the lead month's settlement to derive the Future Contract's Daily Settlement Price.
- c) In the absence of this, the Exchange will use the TWAP of the Futures Contract's midpoint of the bid/ask from the sixty (60) seconds prior to 3:00 PM CT, rounded to the nearest tradable tick.
- d) If a two-sided market is not available during this time, the last spread Trade price is applied to the lead month settlement to derive the Daily Settlement Price.
- e) If this can not be calculated, the Exchange will use the lead month's Settlement Price +/- the previous day's calendar spread.

(c) Final Settlement Price

- (i) For all Exchange energy Futures Contracts, the following applies, unless otherwise indicated. The Final Settlement Price shall be set to the publicly available daily settlement value of the NYMEX WTI future (CL) at the Termination of Trading of the Contract, as specified in the relevant Rule. - (a) Existing Trades may be transferred either on the books of a Clearing Firm or from one (1) Clearing Firm to another Clearing Firm provided:

 - (2) an error has been made in the clearing of a Trade and the error is discovered and the transfer is completed within two (2) Business Days after the Trade date.
- (b) Exchange Officials may, upon request by the Clearing Firm(s), approve a transfer of existing Trades either on the books of the same Clearing Firm, or from the books of one Clearing Firm to the books of another Clearing Firm if the transfer is in connection with, or as a result of, a merger, asset purchase, consolidation or similar non-recurring Transaction between two (2) or more entities where one (1) or more entities become the successor in interest to one (1) or more other entities.
- (c) Exchange Officials may, with the consent of the Clearing Firm(s) involved, permit the transfer of existing Trades if, in the opinion of Exchange Officials, the situation so requires and such transfer is in the best interests of the Exchange.
- (d) Provided that the transfer is permitted pursuant to Sections (a), (b) or (c) above, the Transactions must be recorded and carried on the books of the receiving Clearing Firm at the original Trade dates. Futures Transactions may be transferred using either the original Trade price or the most recent Settlement Price; Options Transactions may be transferred using either the original Trade price or a Trade price of zero.
- (e) All transfers shall be reported to the Exchange in a form acceptable to the Exchange for the type of Transactions involved. The proper indicator must be included in the transfer such that the Transactions, including the Transaction(s) to reverse an error, clear as transfers. The Clearing Firms involved shall maintain a full and complete record of all Transactions together with all pertinent memoranda. For submission to the Clearing House, all transfers of Contracts shall be subject to the Clearing House Rules.

RULE 909. Concurrent Long and Short Transactions

Set forth below are the procedures that must be followed for concurrent long and short positions and hold-open accounts.

- (a) Concurrent long and short positions in the same commodity and month may be held by a Clearing Firm at the direction of a Customer or on behalf of an omnibus account; however it shall be the duty of the Clearing Firm to ascertain whether such positions are intended for offset or to be held open prior to final transmission of position data to the Clearing House.
- (b) Clearing Firms which, pursuant to this Rule, carry concurrent long and short positions, must report to the Exchange both sides as open positions.
- (c) The Exchange takes no position regarding the internal bookkeeping procedures of its Clearing Firms which, for the convenience of a Participant or Customer, may “hold

open” a position only on their books. However, the Clearing Firm must accurately report to the Exchange and the Clearing House, as appropriate, large trader positions, long positions eligible for delivery, and open interest.

RULE 910. Substitution

For a Transaction that is both executed and submitted to the Clearing House in accordance with the rules governing such Transaction, the Clearing House will, through the process of novation, be substituted as, and assume the position of, seller to the buyer and buyer to the seller of the relevant number of Contracts once the Transaction is accepted at the Clearing House pursuant to the Clearing House Rules.

Coinbase Derivatives, LLC – Legal Notice

Futures trading is not suitable for all investors, and involves the risk of loss. Futures are a leveraged investment, and because only a percentage of a contract's value is required to trade, it is possible to lose more than the amount of money deposited for a futures position. Therefore, traders should only use funds that they can afford to lose without affecting their lifestyles. And only a portion of those funds should be devoted to any one trade because they cannot expect to profit on every trade. All references to options refer to options on futures.
