Subject: Micro Crude Oil Futures Launch on October 25th, 2021

Details

On October 25th, FairX will launch Micro Crude Oil Futures.

The cash-settled contract, based on the West Texas Intermediate (WTI) crude oil benchmark, will represent the most cost-effective way for the retail market to trade the price of crude oil.

The FairX Micro Crude Oil Futures contract, sized at 100 barrels, will trade 23 hours a day, Sunday through Friday, from 6 pm ET through 5 pm ET. More information on the contracts can be found at fairx.com/oil. For more information on brokers offering FairX products, visit fairx.com/brokers.
