

Continued Education Programs

Overview: The Educational Assistance Program allows Terumo Neuro associates to be reimbursed up to \$10,000 per year for the completion of degrees or classes that would prepare an associate for a reasonably attainable job within the company.

Eligibility: All full-time and part-time Associates who have completed one year of service prior to the first day of the course are eligible to apply.

Application Process: Associates must complete and obtain the required approvals on the Educational Assistance Request form prior to enrolling. The request form will be reviewed by the Department Manager to determine if the course(s) are part of a degree program that will serve to qualify the associate for a reasonably attainable position with the company, or is directly related to the associate's current position and will serve to enhance the associate's performance.
