FOOD ALLERGIES

If you, or anyone with you today has a food allergy please ask a member of the team for our Allergen Guide, or scan the QR code for the full Dietary Information Booklet.

We cook up a storm, preparing all of our delicious food in the same place where different allergens (such as milk) are present. While prepared with care, we can't guarantee your food will be allergen free, even after removing specific items on request. Whilst our vegan items have vegan recipes, due to risk of cross-contamination they may contain dairy.
