

Terms and conditions

Overview

During the campaign period (06.03.2025 - 01.04.2025) clients of the Broker of Scalable Capital GmbH (Scalable Broker) are entitled to receive a bonus in accordance with the following conditions:

- If you have not already done so, you must complete the onboarding as a client with the Scalable Broker.
- Execute at least one trading order to buy financial instruments (buy order or savings plan execution) during the campaign period.
- To be eligible for the campaign bonus, the existing client must have consented to the terms and conditions of the new Scalable or have opened their account after 10.12.2024.
- The bonus is personal and cannot be transferred.

Bonus

As a bonus, participants will receive EUR 10 in form of the Scalable Xtrackers MSCI All Country World UCITS ETF (ISIN: LU2903252349 | WKN: DBX1SC) at the value at the time of the reward being granted.

Further explanations and conditions

Each participant can receive the bonus a maximum of once. Multiple participation and multiple rewards are excluded. Employees of Scalable Capital (and affiliated companies) or Baader Bank AG, and their relatives are excluded from participation. Participation in the exercise of a trade, for commercial purposes and/or against any other professional or commercial background is also not permitted. Each participant is responsible for the accuracy of his or her (personal) details (in particular regarding participation in the campaign).

The reward will be granted by execution of an order by Scalable Capital or, if the custody account is not managed by Scalable Capital but by Baader Bank AG, forwarding to Baader Bank AG and then booking to the custody account of the client, provided that the terms and conditions have been met and in each

case in accordance with the applicable Client Documentation. This happens earliest 4 weeks after the end of the campaign period. If the participant is no longer a Scalable Capital Broker client at the time of payment, the bonus will be forfeited (i.e. the bonus will not be paid out). This campaign cannot be combined with other campaigns (with the exception of the Referral programme).

If (in Scalable Capital's reasonable discretion) there are justified reasons, for example (a) in the event of manipulation in connection with access to or implementation of the campaign, (b) in the event of violations of these terms and conditions of participation, (c) in the event of unfair practices or (d) in the event of false or misleading information in connection with participation, Scalable Capital may (in its reasonable discretion) exclude persons from the campaign and not execute or forward any order or subsequently cancel, reclaim and/or collect bookings made from the relevant custody account. In this respect, Scalable Capital is entitled to instruct the custodian bank to make a corresponding cancellation or rebooking if Scalable Capital does not perform the custody and administration of the custody account.

For participants of the campaign who are tax resident in Germany, the bonus is tax free if the Other Income according to § 22 No. 3 EStG (including this bonus) amounts to less than EUR 256,00 in a calendar year. Scalable Capital does not provide tax or legal advice and does not make any statements regarding the assessment of the individual tax situation (in particular corresponding obligations) of the client. This is the sole responsibility of the client and can be clarified, if necessary, e.g. with the responsible tax office or a tax advisor.

In particular, Scalable Capital is not liable for damages that may result from errors, delays or interruptions in transmission, malfunctions of technical equipment or other technical services, incorrect content, loss or deletion of data, computer viruses or in any other way during participation in the campaign, unless such damages are caused by Scalable Capital (its officers, employees or agents) intentionally or through gross negligence or through the violation of cardinal obligations. Liability for damages caused by culpable injury to life, body and health remains unaffected.

Scalable Capital reserves the right to cancel, modify or terminate the campaign at any time (in particular for good cause) without prior notice. This is especially the case if for technical (e.g. computer viruses, manipulation or errors in the hardware and/or software), legal or factually comprehensible reasons the

proper execution of this campaign cannot (or can no longer) be guaranteed.
The legal process is excluded.
