

The reliable brand!

RS shredder promotion: Achieve more. Save more.

Celebrate the launch of our advanced generation 4-shaft shredders!

From May 13 to July 31, 2024, you will receive an UNTHA value voucher for any RS30, RS40, RS50, RS60 or RS100 shredder ordered during this time.

The value of the voucher depends on the model of the machine purchased:

» **RS30 = 3,240 US \$**

» **RS40 = 4,320 US \$**

» **RS50 = 5,400 US \$**

» **RS60 = 6,480 US \$**

» **RS100 = 10,800 US \$**

This voucher can be redeemed when purchasing a new cutting system or in conjunction with a cutting system service (reconditioning or welding) and is valid for three years from the date of issue.

In addition, you will receive an extension of the warranty for a further 12 months or 4,000 operating hours.

Take advantage of this unique opportunity and enjoy even more benefits from your investment in the advanced generation RS shredder.

Conditions: The voucher is only valid for the machine purchased during the promotion period and is not transferable to other products or services. Cash payment of the voucher is not possible. The warranty period starts from initial commissioning and is extended to two years or 4,000 operating hours - depending on which value is reached first. The machine will be delivered at the earliest possible date.
