

EXPANSIVE RESIDENCES OF EXQUISITE TASTE

View from Orchard Boulevard

Nestled in prime District 10 along Orchard Boulevard, Boulevard 88 is an exclusive freehold address beyond compare. Experience the privilege of open spaces that offer comfort and tranquility in a stunningly crafted sanctuary. The iconic residential towers are elevated to provide unrivalled views, now yours to own. Spanning the two residential towers at the top is the Sky Boulevard, creating a dramatic tall 'urban window' and an outstanding skyline silhouette that is visible from the city's surround.

Designed by world-renowned architect, Moshe Safdie is also an urban planner, educator, theorist, and author. Over a celebrated 50-year career, many projects become beloved regional and national landmarks, including Marina Bay Sands Integrated Resort and Jewel Changi Airport, Singapore.

He has been named the 2019 Wolf Prize Laureate in Architecture by the International Wolf Foundation. The Wolf Prize is considered the second most important in the world after the Nobel Prize.
