

Travian Kingdoms

Kingdoms is the latest and most **accessible** game in the **Travian series**. Built around a challenging **sandbox experience**, Kingdoms asks its players to find their place in an ancient world of **warring realms**. It is up to the players to find their way in a complex game world using **diplomacy, warfare and trade**. Kingdoms is one of the most inclusive **build-and-raid** games to date built on **cutting-edge** browser **technology** with additional mobile companion apps.

Core Features

- **Massively Multiplayer:** Dozens of massive game worlds house thousands of concurrent players.
- **24/7 Online:** Game worlds last from weeks up to six months and players are active around the clock.
- **Unique Worlds:** Every game world can have a different rule set.
- **Player-Driven Society:** Players act as Dukes, Kings and Governors.
- **Challenging PvP:** Unrestricted PvP is at the core of the game.
- **Epic History:** Dedicated players play dozens of rounds over the years.

Player Journey

- Build up **your village** and secure your resource production.
- Upgrade and send **your hero** on challenging adventures.
- Join or **found a kingdom** to become a Duke or a King.
- Recruit and supply **massive armies** to raid your enemies.
- **Defeat robbers** to collect and defend valuable treasures.
- Establish additional villages and **conquer** other players' settlements.
- Build and defend one of 7 wonders of the world to **win a game round**.

Our Players about the Game

- *"Travian is all about team play. The road to success consists of cooperation."* – **RAMPAGE**
- *"Gathering a team that shows great results several rounds in a row is the ultimate achievement in the game."* – **Warlock**
- *"The interaction with the fellow game players and the alliance members is so much fun!"* – **50 Calibre**
